

# Learning to be Content

## LIFE GROUP QUESTIONS

**Key Verse: Philippians 4:11-13 I am not saying this because I am in need, for I have learned to be content whatever the circumstances. 12I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. 13I can do all this through him who gives me strength.**

1. Marc had us raise our hands if we had ever been in a place of need, or a place in which we had a significant shortage in our lives. During that time, did you learn how to be content? If yes, share with the group how you learned to be content.
