

Irresistible Part 9 - Links Everything To A Soul

LIFE GROUP QUESTIONS

Key Verses: 1 Corinthians 3:5-9 – What, after all, is Apollos? And what is Paul? Only servants, through whom you came to believe - as the Lord has assigned to each his task. I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, but only God, who makes things grow. The one who plants and the one who waters have one purpose, and they will each be rewarded according to their own labor. For we are co-workers in God's service; you are God's field, God's building.

1. Do you see yourself as part of a "lifesaving crew," or do you personally feel more like right now you're in need of rescue (or are currently being rescued)? If the latter, what can your church do to support you, love you, and help you through this time?

2. How does the scripture from 1 Corinthians 3:5-9 resonate with you in terms of living out your calling or playing your part in the bigger picture of God's kingdom? How does this understanding (or revelation) change or enhance your desire to serve others?

3. Share your own experience(s) of the impact that ministries or people in the church have had on your life simply by being one of the many members of the body, functioning as they are intended to.

4. Have you ever "grown weary of doing good" (Galatians 6:9)? If so, share with the group about that "burnout" or "weariness." How might linking that good work to a soul have changed your mind, heart, or experiences at that time?
