02

Three truth about suffering during judgment.

03

When the wicked are judged...

1. Beliefs and behaviors often change. God's will and Word do not.
2. Being faithful to God does not mean we enjoy suffering. But it does mean we endure it.
3. There is always purpose to our pain.

04

Purpose to our pain:

- It brings us closer to Christ
- It assures us that we truly belong to Christ
- It brings future reward
- It can draw others to Christ
- It frustrates Satan
