04 Wisdom for your Wallet

1. If your giving is not about the gospel you can forget it.
2. Your ability to tithe/give is not about your income, it's about your lifestyle.
3. Giving generously is the single greatest way to protect your life from loving and trusting in money and material things.
4. The Bible never speaks of debt in a positive light. Don't miss that.
5. God has giving rigged. The greatest blessing is often found in the discipline, sacrifice, and effort giving requires.
6. As a Christian parent, if someone else has to teach my children about tithing, money management, and God's expectations, I have failed.
7. Your money may not be public knowledge, but don't be afraid to ask for help from godly givers.
8. You will never out give The Lord.

05 He came and gave it all. We have been sent to do the same.
