

When God Has Had Enough Jeremiah 19:1-15

01

Remember...

- The Anger of God toward the Guilty Proves the Love of God for the Innocent v.1-9
- The Judgement of God on the Guilty Proves the Justice of God for the Innocent v.10-15

02

In a world of trafficking, abortion, and abuse our God loves and celebrates children.

03

So what are we to do...

1. Have children responsibly which involves honoring The Lord with sex and marriage.
2. Celebrate, love, teach, and discipline our children to know and honor The Lord.
3. Leverage our lives and homes for the vulnerable, the hurting, the unwanted, and the orphan.

04

All are precious in His sight.
