Steve Jobs

1955-2011

This saying is trustworthy: “If anyone aspires to be an overseer, he desires a noble work.” An overseer, therefore, must be above reproach, the husband of one wife, self-controlled, sensible, respectable, hospitable, an able teacher, not addicted to wine, not a bully but gentle, not quarrelsome, not greedy — one who manages his own household competently, having his children under control with all dignity.

I Timothy 3:1-7

(If anyone does not know how to manage his own household, how will he take care of God's church?)

He must not be a new convert, or he might become conceited and fall into the condemnation of the Devil. Furthermore, he must have a good reputation among outsiders, so that he does not fall into disgrace and the Devil's trap.

The reason I left you in Crete was to set right what was left undone and, as I directed you, to appoint elders in every town: one who is blameless, the husband of one wife, having faithful children not accused of wildness or rebellion. For an overseer, as God's administrator, must be blameless, not arrogant, not hot-tempered, not addicted to wine, not a bully, not greedy for money, but hospitable, loving what is good, sensible, righteous, holy, self-controlled, holding to the faithful message as taught, so that he will be able both to encourage with sound teaching and to refute those who contradict it.

Titus 1:5-9

HOW TO BECOME PRESIDENT OF THE UNITED STATES

U.S. CONSTITUTION'S REQUIREMENTS FOR A PRESIDENTIAL CANDIDATE

✓ NATURAL BORN
CITIZEN

✓ MINIMUM AGE
35 YEARS

✓ U.S. RESIDENT
14 YEARS

STEP 1 PRIMARIES AND CAUCUSES

There are many people who want to be President, each with their own ideas about how government should work.

People with similar ideas belong to the same political party, this is where primaries and caucuses come in.

Candidates from each political party campaign through the country to win the favor of their party members.

STEP 2 NATIONAL CONVENTIONS

At each convention, the presidential candidate chooses a running mate (Vice Presidential candidate).

Each party holds a national convention to select a final presidential nominee.

The presidential candidates campaign throughout the country to win the support of the general population.

IN A PRIMARY
Party members vote for the best candidate that will represent them in the general election.

IN A CAUCUS
Party members select the best candidate through a series of discussions and votes.

STEP 3 GENERAL ELECTION

People in every state across the country vote for one President and Vice President.

When people cast their vote, they are actually voting for a group of people called **electors**.

... And I approve this message.

STEP 4 ELECTORAL COLLEGE

In the electoral college system, each state gets a certain number of electors based on its representation in Congress.

Each elector casts one vote following the general election, and the candidate who gets more than half (270) wins.
