Salt And Light

News and Events

“You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything.” (Matthew 5:13-14, 16)

We walk down the grocery store aisle, and we can choose name brand or store brand, iodized or not. We can too easily take salt for granted, but Jesus referred to properties of salt to teach truth.

Salt also preserves food – and God’s people are preservatives in this fallen, sin-filled world...

Finally, salt makes us thirsty. (There’s a reason movie theaters sell drinks with their popcorn!) May our presence in this world – may our joy and our hope despite circumstances, may our concern for others and our willingness to serve them – make people who notice thirsty for the living water, for the knowledge of Jesus, his forgiveness, and his love.
