New Young Adult Class Coming in September

Faith Under Fire:

Honest Conversations Navigating the Struggles and Actions of Faith

What if we were honest and recognized that faith is not easy?

There are things that we *struggle* with. There are things that we *disagree* about. There are even things that we know to be true, but we just don't like.

How do all of these things affect how we express our faith in action?

In this young adult class, we will discuss various issues and struggles we are dealing with and how our faith should inform our actions concerning these things. Our goal is to foster an environment in this group where we can share in the discussions and support each other in our walks of faith.

We invite you to come as you are – questions, doubts, struggles, convictions and all – and join us as we walk **together** through the messiness of faith seeking honesty, growth, and **Christ** at the Center!

Who is invited? *All young (18-35ish) adults.*

When does it begin? *September 7th – 9:30am*

Where will we meet? *Multipurpose room*

Who is teaching? *Stephen Walker*

Will there be coffee? *YES!!!*
