Good From Personal Tragedy

A Hole in Our Holiness

I have yet to see a church encourage its members to give in to their cravings, no matter how sinful, because, according to the Bible, we are forgiven so we should enjoy life! There are no false teachers today who are so bold in promoting such lies. Yet this attitude exists. Listen to what one blogger wrote when he wondered aloud whether there is a hole in our holiness:

We live in a culture of cool. This often means pushing the boundaries with language, entertainment and fashion. We've embraced Christian freedom, but have not earnestly pursued Christian virtue. When is the last time we took a passage like Ephesians 5:3-4 and began applying it to our fashion choices, jokes, movie picks and YouTube clips? It's not pietism or legalism to take holiness seriously. It's the way of all those who have been called to be holy by a holy God. (Kevin DeYoung: *The Hole in Our Holiness*, edited)

Are you quick to embrace hymns which speak of God's grace, but then just as eagerly view the latest racy video clip that's making the rounds? Do you rejoice that you are clothed in Christ's righteousness through baptism, but don't care how your wardrobe make it difficult for others to stay pure in thought? Do you cherish Jesus' gentle words of forgiveness, but excuse your sinful nitpicking of others?

We know we should stay away from big sins. We know abusing the elderly or stealing is wrong. We can't figure out how anyone can shoot innocent person. But little do we see that's what our unkind comments do to the very people we claim we would give our lives to save from a crazed gunman! Friends, you can't embrace Jesus' forgiveness and cozy up to sin. Daniel Habben
