The Power Of The One

Do you ever struggle with feelings of insignificance? We can feel insignificant as individuals. We can also feel insignificant as a church. We can feel useless. We see situations that need attention or we see work that needs to be done, but we say, "I am just one person (or we are just a few people), so what could we possibly do?"

Problems that come our way often seem insurmountable based upon the resources that we have. We hear sayings like, "There is great strength in numbers." However, that can be rather discouraging to the one who stands alone. It can leave us feeling weak when we feel that we are just a few people. So, what do we do?

We go to work! Helen Keller once said, "I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do."

We do what we can do. We offer what we have let God use it to his glory. How many times in Scripture did God use what was seemingly not enough? How many times do we see God using just one person to do mighty works?

He used just one little boy who was willing to share his lunch to feed 5000+ people (John 6:1-15).

He used just one woman to save a nation (Esther).

He used just one man and his family to carry on mankind (Noah).

He used just one little shepherd by and one stone to slay a giant and turn back the enemy (David and Goliath).

He used just one man to redeem the world (Jesus Christ).

There are countless other occasions where we see God working through just one person or just a few people. We see countless occasions where the numbers were not in their favor, yet God used his people to overcome.

We are never "just one". Our strength is not in our numbers. Our strength is in the power of The One! If we commit ourselves to God, God will use us to bring about his purposes in this world.

Joshua told the Israelites: "**One man** of you puts to flight a thousand, since **it is the LORD your God who fights for you**, just as he promised you" (Joshua 23:10).

You are not "just one". Instead, you are powered by The One. For "...with God all things are possible" (Matthew 19:26). So, let's give ourselves to God and let him go to work in us and through us!
