I Samuel 9

SLIDE

Stand Still and Listen

God already has a plan for the thing you are looking for and worried about. Trust, that if you will discover what God has for you. He will take care of the things you need.

SLIDE

What is He trying to do in your life that you are missing because you are so busy trying to have your own way and make your own way?

SLIDE

We are too busy looking for our own things that we miss out on what He is trying to teach us all along the way.

SCRIPTURE SLIDE

Seek first His kingdom and His righteousness and all the things you need will be added to you.

SCRIPTURE SLIDE

Trust in the Lord with all your heart. Lean not on your own understanding. In all your ways acknowledge Him and He will make your path straight.

SLIDE

In a Godly world, Saul would have NEVER been king.

SLIDE

He was a bad shepherd

SLIDE

He was spiritually clueless – He didn't even know who Samuel was, and he was the most famous man in Israel because he was God's prophet to Israel

SLIDE

He came from a wicked lineage who should have all been wiped out for what they did

SLIDE

Saul's slave, NOT SAUL, knew to look for spiritual advice.

SLIDE

Saul wasn't looking for God, he was simply looking for donkeys.

SLIDE

In a Perfect World, God would never choose any of us! FOR ANYTHING!

SLIDE

Leave your past and surrender today

SLIDE

I wonder how much more God would speak to us if we could leave our possessions, our stubbornness, our strengths, and our donkey attitudes and just let God have His way in our lives!

SLIDE

Will you lay it all down and listen and obey what He has for you today?
