

THE OTHER SIDE OF FAITH!

Introduction:

The essence of the life that we have been called to live is FAITH! When Jesus chose His Disciples, they began a journey that required complete trust and obedience. Faith is complete confidence in God. Faith is radical obedience to God's word. Faith is the catalyst that moves us from level to level as we follow Christ!

Scriptures:

- GENESIS 15:6
- PHILIPPIANS 3:9
- ROMANS 1:17
- MARK 4:35-41

Discussion Questions:

1. Based on your relationship with God, how would you define what it means to have faith?
2. How would you contrast the nebulous faith espoused by modern culture to the faith of Abraham in GENESIS 15?
3. The text in Mark 4 seems to imply that Jesus intentionally invited them into a situation that would test their faith. How has God helped you to grow deeper in faith?
4. What lessons have you learned and how has your faith been shaped by the storms you have gone through?

Moving Forward:

- FOLLOW GOD INTO THE UNEXPECTED!
- FIND HIM WHEN THINGS SEEM HOPELESS!
- RECEIVE A NEW REVELATION OF WHO HE IS!

Changing Your Mind:

For in the gospel the righteousness of God is revealed, both springing from faith and leading to faith [disclosed in a way that awakens more faith]. As it is written and forever remains written, "The just and upright shall live by faith." (ROMANS 1:17-THE AMPLIFIED BIBLE)
