

A CULTURE OF RED!

Introduction:

We are living in desperate times. There is an all-out spiritual attack against our hearts, our beliefs, our families our nation and the world in with we live. We are in a spiritual conflict which will require us as Free People to move away from apathy and embrace what Dr. King called the "fierce urgency of now." The enemy is the spirit of Antichrist, and the Church is the last opposing force!

Scriptures:

- LUKE 4:18
- LUKE 10:10-37
- JOHN 13:35
- MATTHEW 24:14

Discussion Questions:

1. What do you remember about the morning of September 11th?
2. In contrasting the 9/11 attack on our freedom, what are the attacks on our spiritual freedom?
3. How has apathetic Christianity hindered the mission of the Church?
4. Welles Crowther's actions saved the lives of 18 people on that fateful day. What lessons should we draw from his story (check out the link: <https://www.wbur.org/hereandnow/2021/09/09/sept-11-red-bandana-man>)
5. What has God called you to do in order that CCC can create "a Culture of Red?"

Moving Forward: The Call To Respond To The Fierce Urgency of Now
