## CHOOSE THE FRAME!

### Introduction

While we know that God is good, we often find ourselves struggling with how he accomplishes his purpose in our lives. What if we could see our past, our present and our future through God's Divine Perspective? We can. When we do, everything takes on a new meaning.

### Scriptures:

Acts 27:13-25-NLT,  
Philippians 1:12-NKJV

### Discussion Questions

1. Pastor Mitchell spoke about the concept of "framing" our lives. What spoke to you most about this concept?
2. What is something in your life that you need to reframe?
3. The Apostle Paul was caught in a storm caused by the disobedience of others but God used that storm to get Paul to Rome. What other lessons can we learn from the Acts 27 story?
4. After the message, what are you prepared to declare about the things that have happened to you?

### Moving Forward: How To Frame Your Life?

- God is with me in the process
- I have a divine destination
- I will not die until my purpose is fulfilled.

### Changing Your Mind:

But I want you to know, brethren, that the things *which HAPPENED* to me have actually turned out for the furtherance of the gospel (PHILIPPIANS 1:12-NKJV).
