## Study Guide BETTER TOGETHER PART 1 UNSTOPPABLE FORCE

### Introduction

God intentionally created us to be wired with the insatiable need for connection, interaction, and community. We see the pattern from the very beginning when God connected Adam and Eve. These divine partnerships have continued throughout time. One of the most pivotal connections in history took place when 120 people gathered in an upper room in Jerusalem and the Holy Spirit was poured out for the first time. This gathering would change the world. You could call it the Genesis of the “**Together Movement.**” The bottom line is that we were never meant to be isolated in any sphere of our lives, especially in the arena of our faith. Let’s begin 2022 by catching a Heavenly glimpse of who we were meant to be and the unimaginable possibilities that are waiting for us when we intentionally unite.... when we realize that we are **Better Together!**
