

STUDY GUIDE

A PEACE FOR THE UNEXPLAINABLE!

Introduction:

One of the biggest problems with God is that he is God. He simply cannot be explained! By this I mean, he is always dealing in things that are God sized. How do we embrace the God who is always unexplainable? How do we move forward in faith when the things that God is doing are outside the realm of human possibilities? This Christmas is our moment to unwrap the peace of God which allows us to deal with the possibilities and uncertainties of a future that we cannot explain. Receive the gift of God's Peace

Scriptures:

LUKE 2:6-20, NKJV

Discussion Questions:

1. Each time the Angel Gabriel showed up, his message always began with the words, "fear not." In what area of your life do you need God's "fear not"?
2. Shepherds were essentially social outcast, who were ceremonially unclean. Why did God choose to invite them to see Christ?
3. Has there been an instance in your life where you missed what the Holy Spirit had for you because of your fear? What did you learn from the experience?
4. What distraction do you need to remove in order to find the Christ of Christmas?

Moving Forward:

- I will not allow who I am, to distract me from knowing who He is.
- I will not allow fear to cause me to miss what God has for me.
- I will make finding Christ my highest priority.

Changing Your Mind:

For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich (2 CORINTHIANS 8:9, NKJV).
