

Series: Doubting God (Part 2)
Taking God at His Word
April 27, 2025

Text: *"Your word is truth."* (John 17:17)

Reasons we should believe the Bible is God's Word:

1. The Bible Is Historically Reliable

2. The Bible Is Scientifically Compatible

He sits enthroned above the circle of the earth, and its people are like grasshoppers. (Isaiah 40:22)

The wind blows to the south and turns to the north; round and round it goes, ever returning on its course."
(Ecclesiastes 1:6)

3. The Bible Is Prophetically Fulfilled

In the Bible, 2000 prophecies have come to pass.

4. The Bible Is Thematically Unified

It was written over a period of 1500 years (40 generations) by 40 different authors, living in 3 different continents (Europe, Asia, and Africa) writing in 3 different languages (Hebrew, Greek and Aramaic). And in the end one story is told.

5. The Bible Is Personally Transforming

The Bible answers three questions of life

- Who am I?
- Why am I here?
- Where am I going?
