

BIBLE READING FOR SPIRITUAL GROWTH

BIBLE TRAINING VIDEOS

This video course covers the basics of reading the Bible for spiritual growth. The Bible is God's Word to us, literally God-breathed. In other words, it is God's very words to us. There are so many questions that philosophers have asked that God answers for us in Scripture. What is the purpose to life? Where did I come from? Is there life after death? How do I get to heaven? Why is the world full of evil? Why do I struggle to do good? Each video is designed specifically for online training featuring best practices that are easy to digest and remember.
