Some Principles From Jesus:

Principle #1 - The ministry model of Jesus was always missional!

Principle #2 - The ministry model of Jesus was indiscriminate!

Principle #3 - Jesus is always full of surprises!

Principle #4 - Do not think of yourself more highly than you ought...

Principle #5 - Authentic righteousness is confirmed by character and actions!

Three Admonitions:

- 1. Put your reputation at risk to be a friend to sinners... you'll earn the right to be heard.**
- 2. Deal with your own sin & allow the Holy Spirit to do His job of convicting others of theirs.**
- 3. Share a meal with a person unlike you – maybe you can learn something about them from them.**
