

Wrath: The Devil's Timeshare
Matthew 5:21-22, Mark 3:4-5, Ephesians 4:26-32

- Unchecked anger and malicious words pave the path toward judgment.
- Anger is intended to be a healthy response telling us something is wrong or that someone was wronged.
- Anger that lingers gives the devil a timeshare within you.

Anger becomes sinful/wrath when it:

1. Results in “quick-tempered” behavior
 2. Hurts people physically
 3. Persists and results in bitterness
 4. Prolongs communications
 5. Hurts people emotionally and spiritually
 6. Becomes vengeful
- When you're angry, reflection of the love and mercy of God is your prescription
