

Dreams Can Come True! (Step #5)
Maintain Integrity
(Nehemiah 5)

1. Live boldly in faith

Nehemiah had two options:

a. **Passive Faith**

The idea: Avoid it, if I do nothing somebody else will take it on.

The reality: Things will get worse.

Personally: To avoid something is to indirectly approve it & compromise my integrity.

b. **Bold Faith**

The idea: Deal with it, ASAP.

The reality: Things may get better.

Personally: To deal with it is to stand up for what is right & maintain my integrity.

- Think before you speak
- Deal directly with the source
- Have a solution in mind
- Set up an accountability system

Personally: What has God put on my heart that I could promise to keep?

2. Our motivation should come from our faith not our culture

- Keep focused on the Lord
- Keep doing your share of the work
- Keep leading through sacrifice
- Keep trusting the Lord

What would it look like here at CCV, if we shared the same bold faith of Nehemiah, living for God and not for ourselves?
