

## 100 Years From Now, What I Do For Kids Will Matter!

(Psalm 71:17-18)

February 6, 2022

Dr. Rick Stedman

1. God, you have been so good to me! (17)
  - You have taught me many lessons over the years.
  - You have done miracles and great things!
  
2. God, you have given me years and wisdom! (17)
  - “Old” = the average life expectancy in the Bible: 20.
    - If I’m older than 20, I’ve been given long life!
  - “Gray” = gray hair in the Bible represents: wisdom.
    - If over 20, I’ve been given special years and wisdom to accomplish the reason God put me on this earth.
  
3. God, you have given me one supreme task! (18)
  - My #1 task: to pass the faith...
    - To the next generation,
    - And the generations to come!
  - Most teens today are not on the road to heaven.
  - What the next generations need most is God!

### **100 Years From Now**

It won't matter what car I drove,  
what house I lived in,  
or what my bank account was.  
What will matter is that I made an  
eternal difference in the lives of teens!

Personally: God, how can I make an eternal difference in the lives of teens?

- First, I can pray: God, what do you want to do through me?
- Second, I can learn. I'll attend a 100 Years event.
- Third, I can sacrifice: Whatever we sacrifice for teens now, we won't regret 100 years from now.
- Fourth, I can be in church on February 13, 20, & 27.
