Sermon Notes

What is Preventing Me?
Matthew 28:16-20, Acts 2:36-41, Acts 8:26-39
Al Gascon | March 15, 2026

- The goal of the next three weeks is to declare what the word of God says concerning baptism in order for us to have a deeper understanding and a greater love for the God who meets us in the water.

What does the Bible say about Baptism?

- Why should we be baptized?
- What occurs before baptism?
- What occurs at the moment of a person's baptism?

- Christ commanded and commissioned the baptism of every single disciple.
- Baptism involves belief, repentance, and radical commitment to Christ.
- There is no time restraint or knowledge barometer or any other prerequisite concerning baptism other than faith. Anyone can be baptized immediately after believing.

"Getting wet is the easiest command Jesus gave us to follow. It only gets harder from there."

-Mark Denver

Discussion Questions:

- What are your thoughts about baptism and its significance in the Christian walk?
- Is there a story or any significant circumstances that led to your decision to be baptized?
- Do you believe it's significant that the baptism of future followers was one of the last commandments Jesus gave?
