

**THINK JESUS**  
*Change Your Mind, Change Your Life*  
August 27, 2023

“Who wants change?” vs. “Who wants to change?”

*You can't change what's going on around you  
until you start changing what's going on within you.*

*You can't solve your problems w/ the same thinking  
that you used to create them.*

**3 John 2 NKJV** I pray that you may prosper in all things & be in health,  
just as your soul prospers.
