

Commitment Packet

Each week, you'll be involved in at least 2-3 ways to develop relationships with those that don't know God.

Hobbies

- Sports, crafting, outdoor activities, gardening, exercise groups and classes, board gaming
- Clubs give us weekly/bi-weekly opportunities to bond with those in our communities who don't know God

Events

- Picnics, BBQs, sports tournaments, block parties, music festivals/concerts
- These allow us to meet new people and support our community through the arts, sports, and recreation.

Community Support

- Educational camps, mentoring at crisis pregnancy centers, helping the elderly, supporting local businesses
- Serving alongside unbelievers, we can reach both them and the needy as we bring healing to our broader communities

Personal Connection

- Family meals, coffees, summer outings
- When we connect with families at parties, projects, and hobbies, inviting them to spend time with us and our family allows us to deepen relationships and have deeper conversations.
