### Discussion Questions

2. What does it mean that God's "effective call" is an **act of God** rather than something we initiate ourselves?
3. [John 6:44](#) teaches that no one can come unless the Father draws them. What does this say about human ability and God's grace in salvation?

4. If the general call goes out to all people, why do you think some accept it and others reject it?
5. Why is it important that the gospel presentation includes both **repentance** and **faith**? What happens if one of these elements is missing?
6. Knowing facts about Jesus is necessary, but not sufficient for salvation. What moves someone from knowing about Christ to actually trusting in Him?
7. Romans 10:14 emphasizes the importance of preaching the gospel. What does this teach us about our role in God's plan to save others?
