

MAKING SOME NOISE

Throughout the word of God spiritually speaking, when there was a sound it was the beginning of a shift

Also, it seems the greater the sound, the greater the shift. We must not let the enemy silence us!

Rom 8:31 NKJV What then shall we say to these things? If God *is* for us, *who can be against us?*

Paul was saying no matter what trial, adversaries, or difficulties you face, God's ultimate power says nothing will defeat you

Acts 2:1-2 NKJV When the Day of Pentecost had fully come, they were all ^[a]with one accord in one place. ² And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting.

One translation says 'the roar of the wind was so overpowering it was all anyone could hear'

Isn't it crazy the wonderful gift of the Holy Spirit was sent with a sound and those who are filled with the Holy Spirit begins with a sound!

The sound was the first indication of transformation which produced greater revelation to His church!

This sound was heard by all 120 in the Upper Room and it commanded everyone's attention suddenly, it was a sound that could not be ignored. It introduced the Holy Spirit's anointing!

In **Genesis 1** – the Author and Architect of the whole universe spoke with a sound and in 6 days everything that there is was created!

Joshua 6 – Joshua started his conquest to the promise land and for 7 days they marched around the massive walls of Jericho 7 times daily and said nothing. But on the 7th day on the ;7th time around they were commanded to shout and that sound brought the walls to rubble – with a sound!

Judges 7 – Gideon's small army of 300 defeated the great enemy of Midian with jars and torches, they shouted and God defeated their enemy!

Ezekiel 37 – the sound the prophet prophesied with a noise and dead, dry bones began to rattle and come together as a great and exceeding army

1 Thes 4:16 – One day soon there will be a sound and guess who's coming back? The Lord Himself to snatch His church up into Heaven!

Church, I'm here this morning to share something I heard this week – the greater the sound, the greater the shift, and the greater it echoes

There's no such thing as a silent church or believer. Today the church must make more noise than the culture!

The church was born with a sound, the Spirit has a sound that must be heard!

Tuesday morning the Lord directed me to **1 Kings 18:41 Then Elijah said to Ahab, "Go up, eat and drink; for there is the sound of abundance of rain."**

The Holy Spirit spoke to me and said it's not the sound that's the problem, it's the atmosphere

Acts 2 – The Holy Spirit altered the environment by setting the atmosphere

Like Elijah said I hear the sound of abundance of rain, he prophesied the drought would end today

Church, Jesus came that we can go from God with us to God in us!

Church, this week I could hear the sound of those hungry for revival

The sound of abundance of rain that ends the drought of mental, physical, and spiritual drought

I hear the sound of a fresh outpouring of His Spirit

The sound of signs, wonders, and miracles when we stepped into the new building last Sunday

The sound of the prodigals heading home by the masses

The sound of possibly the last great awakening which we don't want to miss

The sound of those freed from their chains, won't be able to be silenced

2 Cor 3:16-18 Nevertheless when one turns to the Lord, the veil is taken away. ¹⁷ Now the Lord is the Spirit; and where the Spirit of the Lord *is*, there *is* liberty. ¹⁸ But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as ^bby the Spirit of the Lord.

I hear the sound of abundance, praise the Lord, Jesus came so we could go beyond a visitation of the Spirit to a habitation of the Spirit

Ps 150:6 Let everything that has breath praise the Lord.

^dPraise the Lord!

My friend, today your sound to the Lord will cause a spiritual shift in your life – I hear the sound!
