Matthew 2, Luke 2

Beginner's Gospel Story Bible p. 176

MAIN STORY POINT:

Jesus came to earth to do His Father's plan.

BIG PICTURE QUESTION:

Is Jesus God or a human? As the Son of God, Jesus is both fully God and fully human.

CHRIST CONNECTION

As a boy, Jesus got ready to accomplish God's plan.

DAILY LIFE DISCIPLESHIP:

It is easy to underestimate the role our kids can play in the advancement of God's Kingdom even from a young age. Help them think critically and creatively about how to live on Mission. Before you send them off to school or an activity, give them a 'secret mission' of honoring God and others, such as 'encourage a friend', 'serve someone without being asked or seen', 'find someone lonely to talk to' or 'tell someone about Jesus'. Follow up with them at the end of the day and celebrate if they were able to accomplish the 'mission'.

— *Ask* —

- Q.** How did Jesus surprise the people at the temple? How did Jesus understand so much?
- Q.** What did Jesus mean when He said He had to be in His Father's house?
- Q.** What was God's plan for Jesus?
- Q.** How can God use you in His kingdom even while you are young?
