## PASTOR'S PONDERINGS

OCTOBER!!!! This is a time of transition as we move from summer to fall and there will be beautiful leaves to gaze upon and crisp mornings to invigorate your spirit. One of my former administrative assistants said that the reason I liked October was because it had bosses' day, pastor appreciation day, and my birthday all in the same month!!

In the church, by the first of October, most of the ministries and programs of the church that have been on vacation with everyone for the summer are back in full swing. The UM Men and UM Women are meeting again, the youth are back together, John 3:16 will be meeting regularly, the choir is back to leading the music on Sunday mornings, and the handbell choir will be performing in worship.

We also have a flurry of administrative activity as we are preparing for Church Conference (November 16<sup>th</sup>). That means we are setting budgets, recruiting leaders, and planning ministries, programs, and activities for 2023. While this isn't the beginning of a new year, in many ways it is – it is the beginning of another school year and the beginning of another year in the life of the church (officially that begins with Advent in November, but in many practical ways, it begins in the fall).

So, maybe this is a good time to rededicate ourselves to the pursuit of godliness. Perhaps we could use this season as a time to reconnect with Almighty God. Maybe we have been on vacation from our daily scripture reading and devotions—you know, we just kind of got out of the habit with the vacation atmosphere of summer. Perhaps our prayer time has been relegated to a few moments

before we run out the door to start our day or a few moments as we drift off to sleep. It could be that our worship attendance has been sporadic at best since we were traveling so much this summer.

In the Bible, we get a picture of how the earliest disciples lived their lives in community. Acts 2:42-47 says, *"They devoted themselves to the apostles' teaching and fellowship, to the breaking of bread, and the prayers. Awe came upon everyone because many wonders and signs were being done by the apostles. All who believed were together and had all things in common; they would sell their possession and goods and distribute to all, as any had need. Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts, praising God and having the goodwill of all the people. And day by day the Lord added to their number those who were being saved."*

Devoted themselves. Day by day. Spending much time together. And, day by day, the Lord added to their number.

First, let me say thank you. Many of you have been faithful to your spiritual disciplines all summer and you remain faithful; each day praying and reading scripture and reflecting on God's Word while attending worship regularly and worshipping God by serving others and living out your faith. You are an encouragement to me and others and your Christ-like life is a testament to your faith.

But I want to use this opportunity to remind all of us that the Christian life is not just an add-on to the life we are living. It cannot be just adding a little Jesus to our routine. The Christian life, living as a disciple of Jesus Christ, should affect and influence and dictate every aspect of life. Your faith should determine how you spend your time and how and where you spend your money. It should determine how you speak and how you make decisions (every decision). When our worldview is grounded in

our faith in the God that we know as Father, Son, and Holy Spirit, we should desire to know more about that God through the reading of God's Word and in prayer to that same God. We should be connected to God's people in a community of faith. But most importantly we should endeavor to be grounded in and abiding in Christ—connected to Jesus. Not so much knowing more about Jesus as knowing Jesus—which means spending time with Jesus in scripture reading, bible study, small formation groups, service, prayer and worship.

As the leaves begin to change colors this month, perhaps we can use that as a reminder that we might need to "fall" in love with Jesus all over again. Where might you re-connect with Christ? Do you need to start back to worship? Daily prayer? Daily scripture reading? Serving God by serving others? All of us have room for improvement. I pray that our life hidden in Christ is as colorful as the autumn landscape!

Grace and peace,  
Pastor Steve

They may also be knit/crocheted to celebrate life and its milestones. The reasons to knit/crochet a shawl or lap robe are as numerous as the people who knit/crochet them. If you can knit or crochet (or would like to learn) and are interested in this mission, please contact Faye Milhoan or call the church office at 304-372-3203. Get those needles creating.

**Food Pantry Ministry September Report**

Our number of households and individuals served continues to increase. Also, we are having to purchase more food as food donations from USDA, Walmart, Kroger, and individuals are down significantly from this time last year.

We like to thank Grass Lick Baptist and Fairplain Union for their financial support during September. Also, Ripley Library, Walmart, Kroger, Fruth, and Centennial Church for their food donations during September.

During September we brought in 4,507 lbs. of food, 2,465 lbs. was donated and 2,042 lbs. was purchased.

Food donations included 974 lbs. from USDA, 190 lbs. from Kroger, and 1,108 lbs. from Walmart. We purchased \$1,374 of food from Kroger, \$360 from Walmart and \$1,247 of food from Mountaineer Food Bank.

We served 135 households or 413 individuals.

### **Wee Read and Feed Calvary's Book Mission**

"Wee Read and Feed" is flourishing now with many new books to give to children of the Food Pantry families.

Friends and family of Mrs. Eileen Kerwood donated funds to honor her memory with her passing May 31 of this year.

Four boxes of Scholastic books were also donated in memory of Mrs. Kerwood. Two boxes were given to children who came to the Jackson County Fair kitchen and two boxes were given to the children of our Food Pantry families as requested by the donor. The donor wishes to remain anonymous.

We were able to give 77 books to children during the Food Pantry September 22. We have many babies and toddlers and we want to support the children as they recover from time lost in the classroom.

We thank God for all these blessings.

### **Nicaragua Clinic update:**

Calvary held the Golf Tournament on August 28<sup>th</sup>. Close to \$2,000.00 was raised for the clinic.

Winners were, Greg Varney's team with Keith Burdette's team second. Ryan Ruben had the longest drive, Pastor Steve was closest to the pin, and Grayson Rothrock won the under 12 putting contest.

In August the clinic was getting "Showers of Blessings"- had a leak in the roof and it was raining in the clinic. The men of the church were able to make the repair and we donated \$300 to cover the repair supplies.

A Trifold brochure of the clinic Mission has been made - including pictures. They are located on table outside of the church office.

We will be having a covered dish dinner and AUCTION on 10/23 with proceeds to clinic.

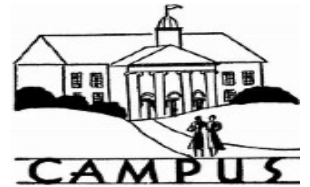

Hope to see you there.

The clinic continues to see 15-30 patients a week. It is the rainy season, so they are seeing a lot of flu and pneumonia. Please continue to pray for this mission as they help many people in the community that would otherwise not receive care. But, also, as they share the gospel of Jesus Christ with each patient.

Debbie Templin

## ONLINE GIVING

The QR code has changed for online giving. Please use this barcode for your online giving through your credit or debit card or your bank account number. This can be a one time or regular transaction. You can also choose to pay the fee or have the church pay the fee.
