

Restoring Worship

Ezra 3// 1.23.22// Chris Jones

DISCUSSION QUESTION

What was helpful from the sermon or text?

How would you define worship in your own words?

Why is worship so important to God and to the Christian?

It would seem that worshipping God first would be natural, even easy. But we know that is not the case. We sin and love other people or things more than God. In your experience as a Christian, what are areas of your life you find it difficult to worship God first in?

What are areas that God is working in your life and is first in? Remember, we know that all growth is by grace and causes gratitude to Him.

Are there any rhythms that are helpful in keeping the Lord first and foremost in your life? Ex: Bible reading in the morning, prayer throughout the day, worship music, Church, gospel community, etc.
