

# God's people

Ezra 2// 1.16.22// Chris Jones

---

## DISCUSSION QUESTION

What was helpful from the sermon or text?

Chris talked about how God knows his people by name, each and every single one. He loves his children and is present to their reality. In your life currently, would you say that is easy to believe? Why or why not?

How does the gospel help us understand God's love for sinners?

What are some passages of the Bible that you go back to when you are doubting God's love for you?

We see a great transition happening for God's people here in Ezra 2. Chris mentioned that transitions can be hard in life. No matter what it is, we often don't know the outcome, which forces us to have faith in God's character. If you feel comfortable, what was a life transition you had that God really met you in?

Take some time to ask everyone for how we can be praying for one another.
