AND MUCH MORE...

"God gave you a fingerprint that no one else has, so you can leave an imprint that no one else can."

It is quite possible that I may have missed a ministry, a mission effort, or a service opportunity. If I did, I sincerely apologize. Honestly, this is what I love about the body of Christ. There are so many good works going on among God's people, they are impossible to count.

For those who are currently involved in a ministry, thank you. For those who are not, today might be your day to get involved. And for those who are glorifying God with your gifts outside of this church community, we would love to hear about it and encourage you in your work.

Blessings,
Paul
