

GenKids **Spring** Updates

April

We're excited to join Lighthouse Church and A Church Family Network for a special **Good Friday Service** on **April 3rd at 6:30 pm**, hosted at Lighthouse Church.

Then on **Easter Sunday**, kids will enjoy a fun craft, and our tweens will take on an exciting **Escape Room challenge**. There's talk of keeping them until they finish, so get ready for some enthusiastic problem solving.

We're also kicking off the **NextGen youth group** with a potluck at **5 pm**. All families with middle or high school students are invited, along with anyone currently volunteering or interested in getting involved.

May & June

Our kids in 3rd grade and younger will continue learning from the *Laugh and Grow Minno Bible*. After each Sunday, be sure to check the **GenKids messages** to see what we covered and use the **Family Connection** page to keep the conversation going at home. (You'll also find these listed on the back.)

Our **NextGen** group will meet on **May 3rd** for dinner and conversation. Then on **May 2nd**, we'll be heading to **Bonaventure** for our very first service project with their residents; a meaningful opportunity for our students to connect across generations and offer companionship.

In June, **NextGen** will meet **June 7th** and we will be touring the BibleProject studio on **June 16th**. We will have limited spots available so please contact Morgan for more information.
