

GenKids Fall Updates

October

Tweens are continuing to practice the **SEEDS Bible study method** as we journey through the book of **Acts**. To help reinforce what they're learning, each family will receive a **door/window hanger** with prompts that can be used for SEEDS discussions, including when they participate in the teaching on the last week of the month, and Bible study at home. They will also do a David skit for the younger kids this month.

Children **preschool through 3rd grade** have begun memorizing a new Bible verse each month. Any child who recites the monthly verse to a volunteer may choose the movement video for a future week. (They do not have to know the same translation, anything similar we will honor their efforts). For October, we are practicing: *"My God is my rock. I go to him for safety. He is like a shield to me."* **Psalms 18:2 (NIRV)**

November

Tweens will continue using SEEDS and joining in the last service of the month. Please support them, and encourage others to, by also taking notes. You're welcome to grab a clipboard off the rolling cart or use the Teaching Notes cards at the side tables.

Our memory verse for the younger kids is: *"Don't worry about anything. No matter what happens, tell God everything. Ask and pray, and give thanks to him."* **Philippians 4:6** (paraphrased)

Winter Sneak Peak (December)

We will have another birthday party for Jesus on Christmas Eve.

Our memory verse for the younger kids is: *"Every good and perfect gift comes from God."* **James 1:17** (paraphrased)
