REVIEW IT!

We learn that every family has "THAT" side of the family, and Adam and Eve's children are no different. It was clear that Cain resisted God's ways, and Abel embraced them. Once Abel was murdered, The Lord brought another blessing of a child named Seth to replace Abel and continue a family line of people who would "call upon the name of the Lord." From that line of people, many more children were born, and we are introduced to Enoch. Enoch was known as the man who walked faithfully with God.

Enoch lived 365 years, and one day just disappeared without dying! The Bible says, "the Lord took him." Enoch faithfully walked with God for a long time because people lived much longer in those days! His walk with the Lord may have cost him creature comforts, family, friends, etc., BUT it came with an intimate relationship with God that gave opportunities to fellowship with the Lord daily and lean on his strength! The closer we walk with God, the more we are aware of our sinful flesh and need for God in our lives. If we believe in the Son, Jesus Christ, we will continue our walk with God forever and ever.
