Comforter, teacher, the one
who lives within us, convicts
us of sin.

Why Does the “Holy Trinity” Matter?

- 1. God died for you:** If Jesus is God, it means God didn’t send someone else to die in His place, but suffered himself.
- 2. God is always with you:** If the Holy Spirit is God, it means God doesn’t stand watching us but dwells within believers.
- 3. God creates out of love:** If God is three distinct persons, it means God didn’t create us because He was lonely but because the Trinity overflowed with love!
- 4. God doesn’t need you, but wants you.** God already has perfect relationship within the Trinity, but chooses to invite you in.
- 5. The Trinity shows us what a perfect relationship looks like:** Mutual Love, Honor, and unity without losing uniqueness.
