Hypostatic Union

The Hypostatic Union

Definition

Jesus Christ has two distinct natures and yet is one whole person. He is both Fully God, having existed eternally, and Fully Human, becoming so when he was born.

The Hypostatic Union

Jesus: Fully God

What does “Fully God” mean?

When we say that Jesus is “Fully God”, we mean that Jesus possesses all the attributes and qualities that make God, God.

Biblical Evidence: *John 1:3, John 20:28, John 8:58*

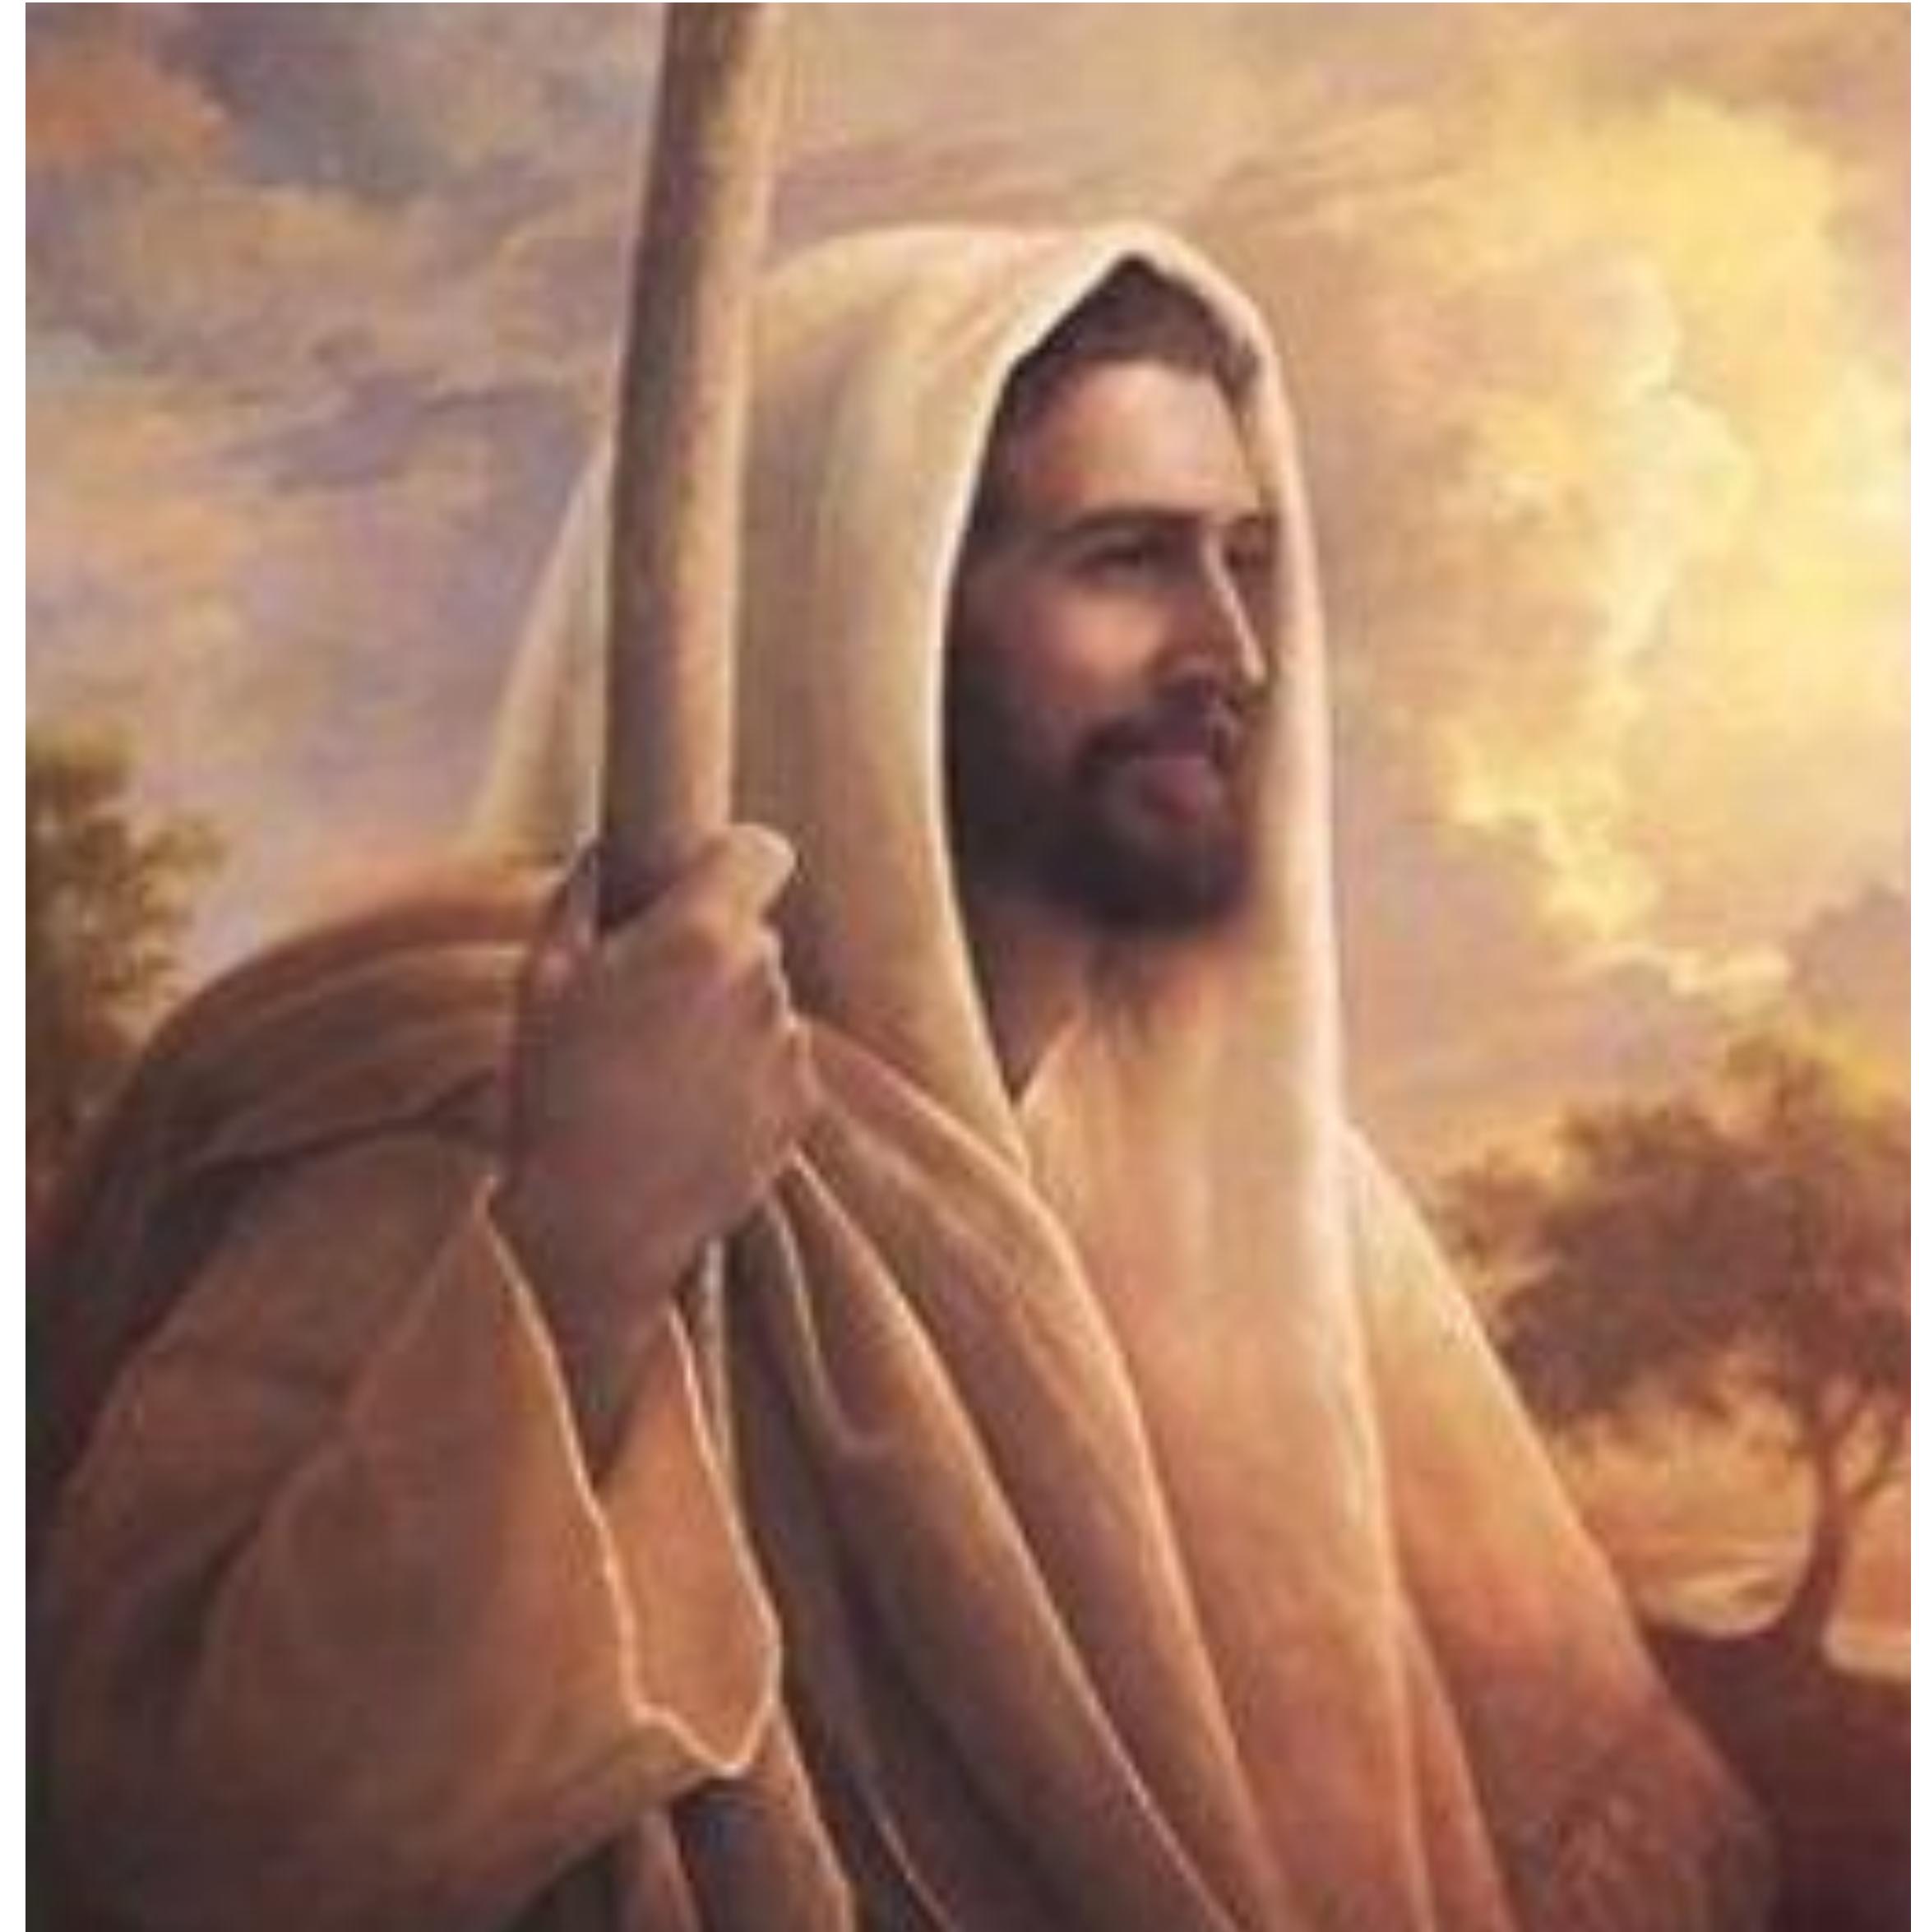

The Hypostatic Union

Jesus: Fully Human

What does “Fully Human” mean?

“Fully Human” means that Jesus experienced genuine human life. He didn’t just look human, he was human with every human limitation.

Biblical Evidence *Hebrews 4:15, John 19:30, Luke 2:52*

Why Does the “Hypostatic Union” Matter?

1. **Because Jesus is Fully God, *it means God loves you enough to die for you Himself.***
2. **Because Jesus is Fully God, *it means when He teaches us, He teaches us with divine authority.***
3. **Because Jesus is Fully Human, *He **actually** knows what you’re going through because He went through it as well.***
4. **Because Jesus is Fully Human, *He **actually** knows what you need because He lived a difficult life.***
5. **Because Jesus is Fully God and Fully Human, *His death was both big enough (God) and real enough (Human) to save each and every one of us who believe in Him.***
