

# TEACHINGS FROM THE NEW TESTAMENT

---

“Be Kind...”

**Be kind and  
loving to  
each other.  
Forgive each  
other just as  
God forgave  
you in Christ.**

# **What does this Scripture mean?**

- 1. Kindness means showing care in your words and actions. It takes other people seriously and chooses to say things that help them, not hurt them.**
- 2. To love means to treat others the way God treats us. It's not just liking someone – it's choosing to do what is good for them, even when it's hard.**
- 3. Forgiving means letting go of anger when someone hurts you, just like God forgives us when we do wrong. It doesn't mean what they did was okay – it means you choose not to stay mad or get even.**

**Remember: These things are hard to do, but when we are followers of Jesus, anything becomes possible!**

# **How To Follow Jesus Well**

**Be kind to everyone you  
meet, for everyone you  
meet was created in the  
image of God!**

**When someone wrongs  
you and asks for your  
forgiveness, forgive them  
even if it is hard, because  
that's what Jesus did for  
you!**

# **CROSS CONNECTION**

**We are called to be kind, loving, and forgiving because that is what Jesus was to us. Jesus treated us kindly during His life. Jesus loved us so much that He died on the cross for us. When Jesus rose from the grave, He promised to forgive anyone who would call on His name! Because of these things, we are to do the same to others!**
