### **Food for Thought for the week of January 2, 2022**

(Questions and Scriptures for further study and discussion.)

As you think about these questions, remember that God's Word is living and active, able to time-travel, and has been written for you.

1. Where are you in the passage? Picture yourself standing in the crowd, listening to Jesus. What are you feeling? Conviction? Compassion? Is He looking at you?
2. Now imagine that Jesus has finished speaking and you approach Him. He smiles and welcomes you over. What do you want to ask Him?
3. As you listen to His Spirit and continue to reflect on the story, how does He answer you? What else is He saying to you?
4. Part of responding to God's Word is realizing that His grace is the fuel that will enable you. Do you sense His grace at work in your heart? What is He asking you to do next?
