Nehemiah 7-8
Be a Man!

Ladies can apply a message to the men by answering three questions on your own.

- 1) How can I encourage my husband in his role?
- 2) How can I educate my children for their role?
- 3) How can I eradicate my desire for his role?

Because Godly success requires men who fulfill their God-given roles, men who desire to fulfill those roles will have three concerns about those roles.

- I. Godly men are concerned with service, 7:1-4
 - A. Commissioned concerns require service
 - B. Continuing concerns require service
 - C. Community concerns require service
 - D. Because Godly men are concerned with service, there is no room for selfishness
- II. Godly men are concerned with the sacred, 8:1-12
 - A. Hearing is essential to joy
 - B. Helping is essential to joy
 - C. Holiness is essential to joy
 - D. Because Godly men are concerned with the sacred, there is no room for the secular
- III. Godly men are concerned with showing, 8:13-18
 - A. Understanding God's Word leads to application
 - B. Understanding God's Word leads to action
 - C. Understanding God's Word leads to appetite
 - D. Because Godly men are concerned with showing, there is no room for shunning
