Hos 4:6 my people are destroyed from **lack of knowledge**. “Because you have rejected knowledge, I also reject you as my priests; because you have ignored the law of your God, I also will ignore your children.

1. The early church did not experiment with Communism

Through the 20th-21st centuries,
**Socialist/Communist regimes have
murdered over 100 million people**

Socialism: economic & political system where the community (government) owns & manages property & the means of production teaching that social ownership will lead to better distribution of wealth

Communism: economic & political system that abolishes classes by abolishing all private property ownership, & where the government owns all property and the means of production

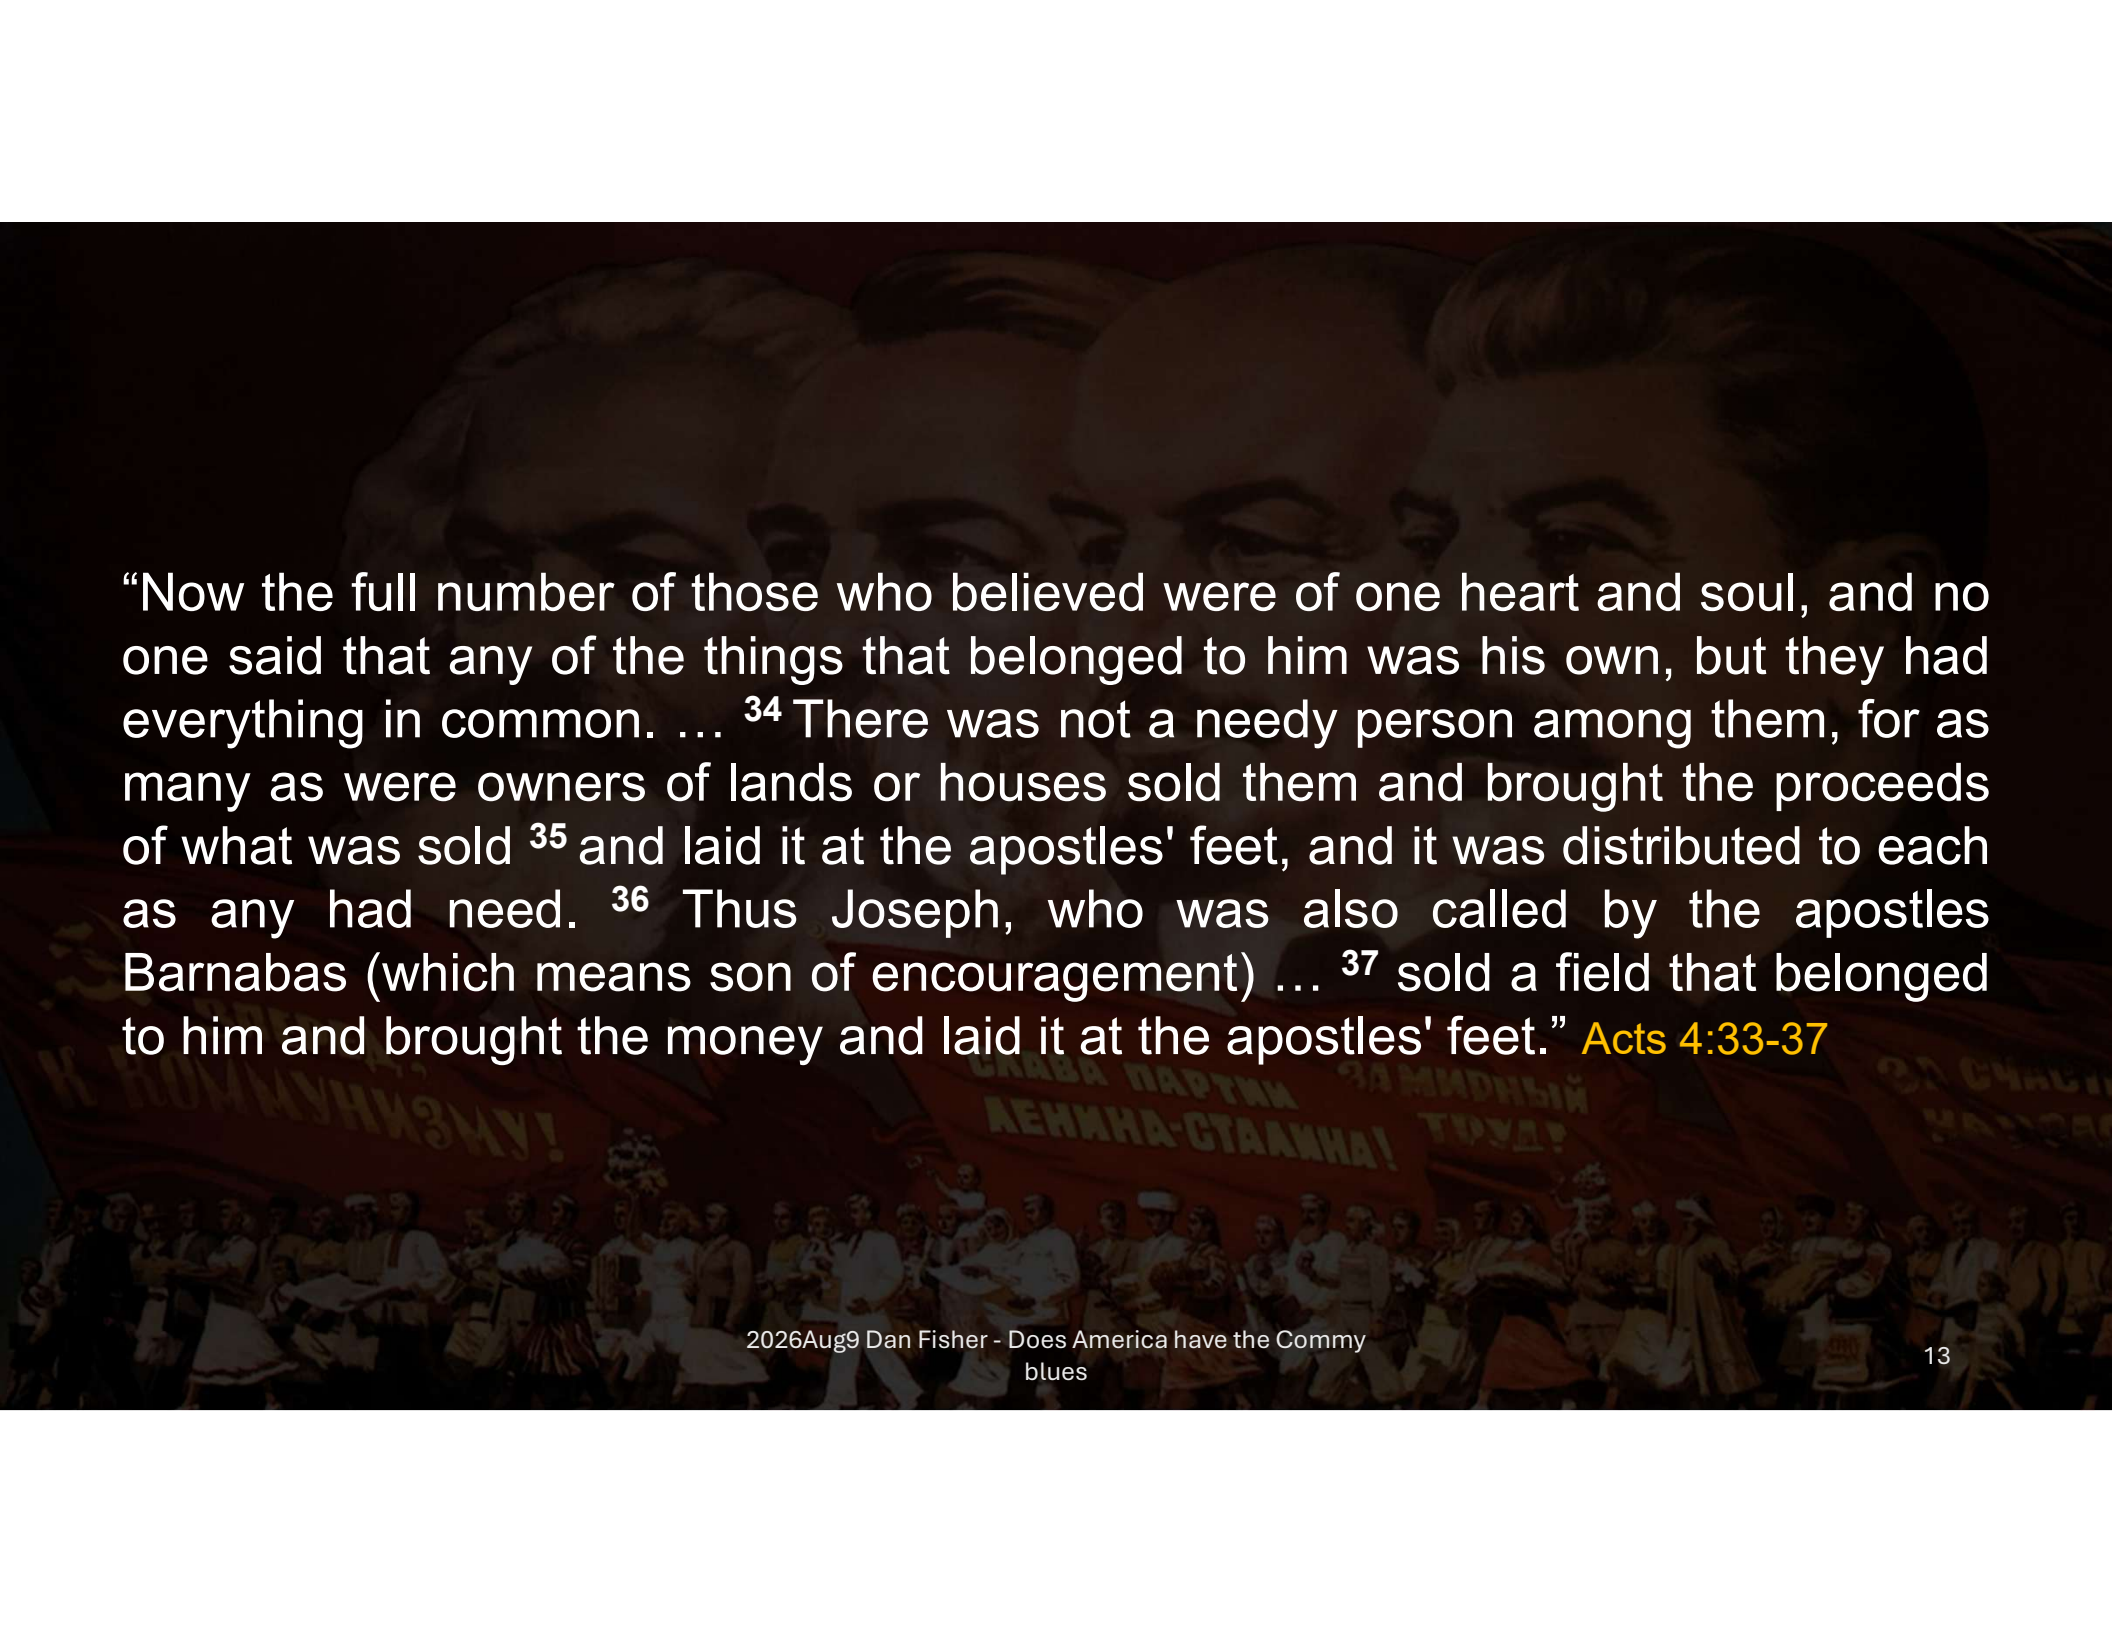

Communism is sometimes referred to as revolutionary socialism

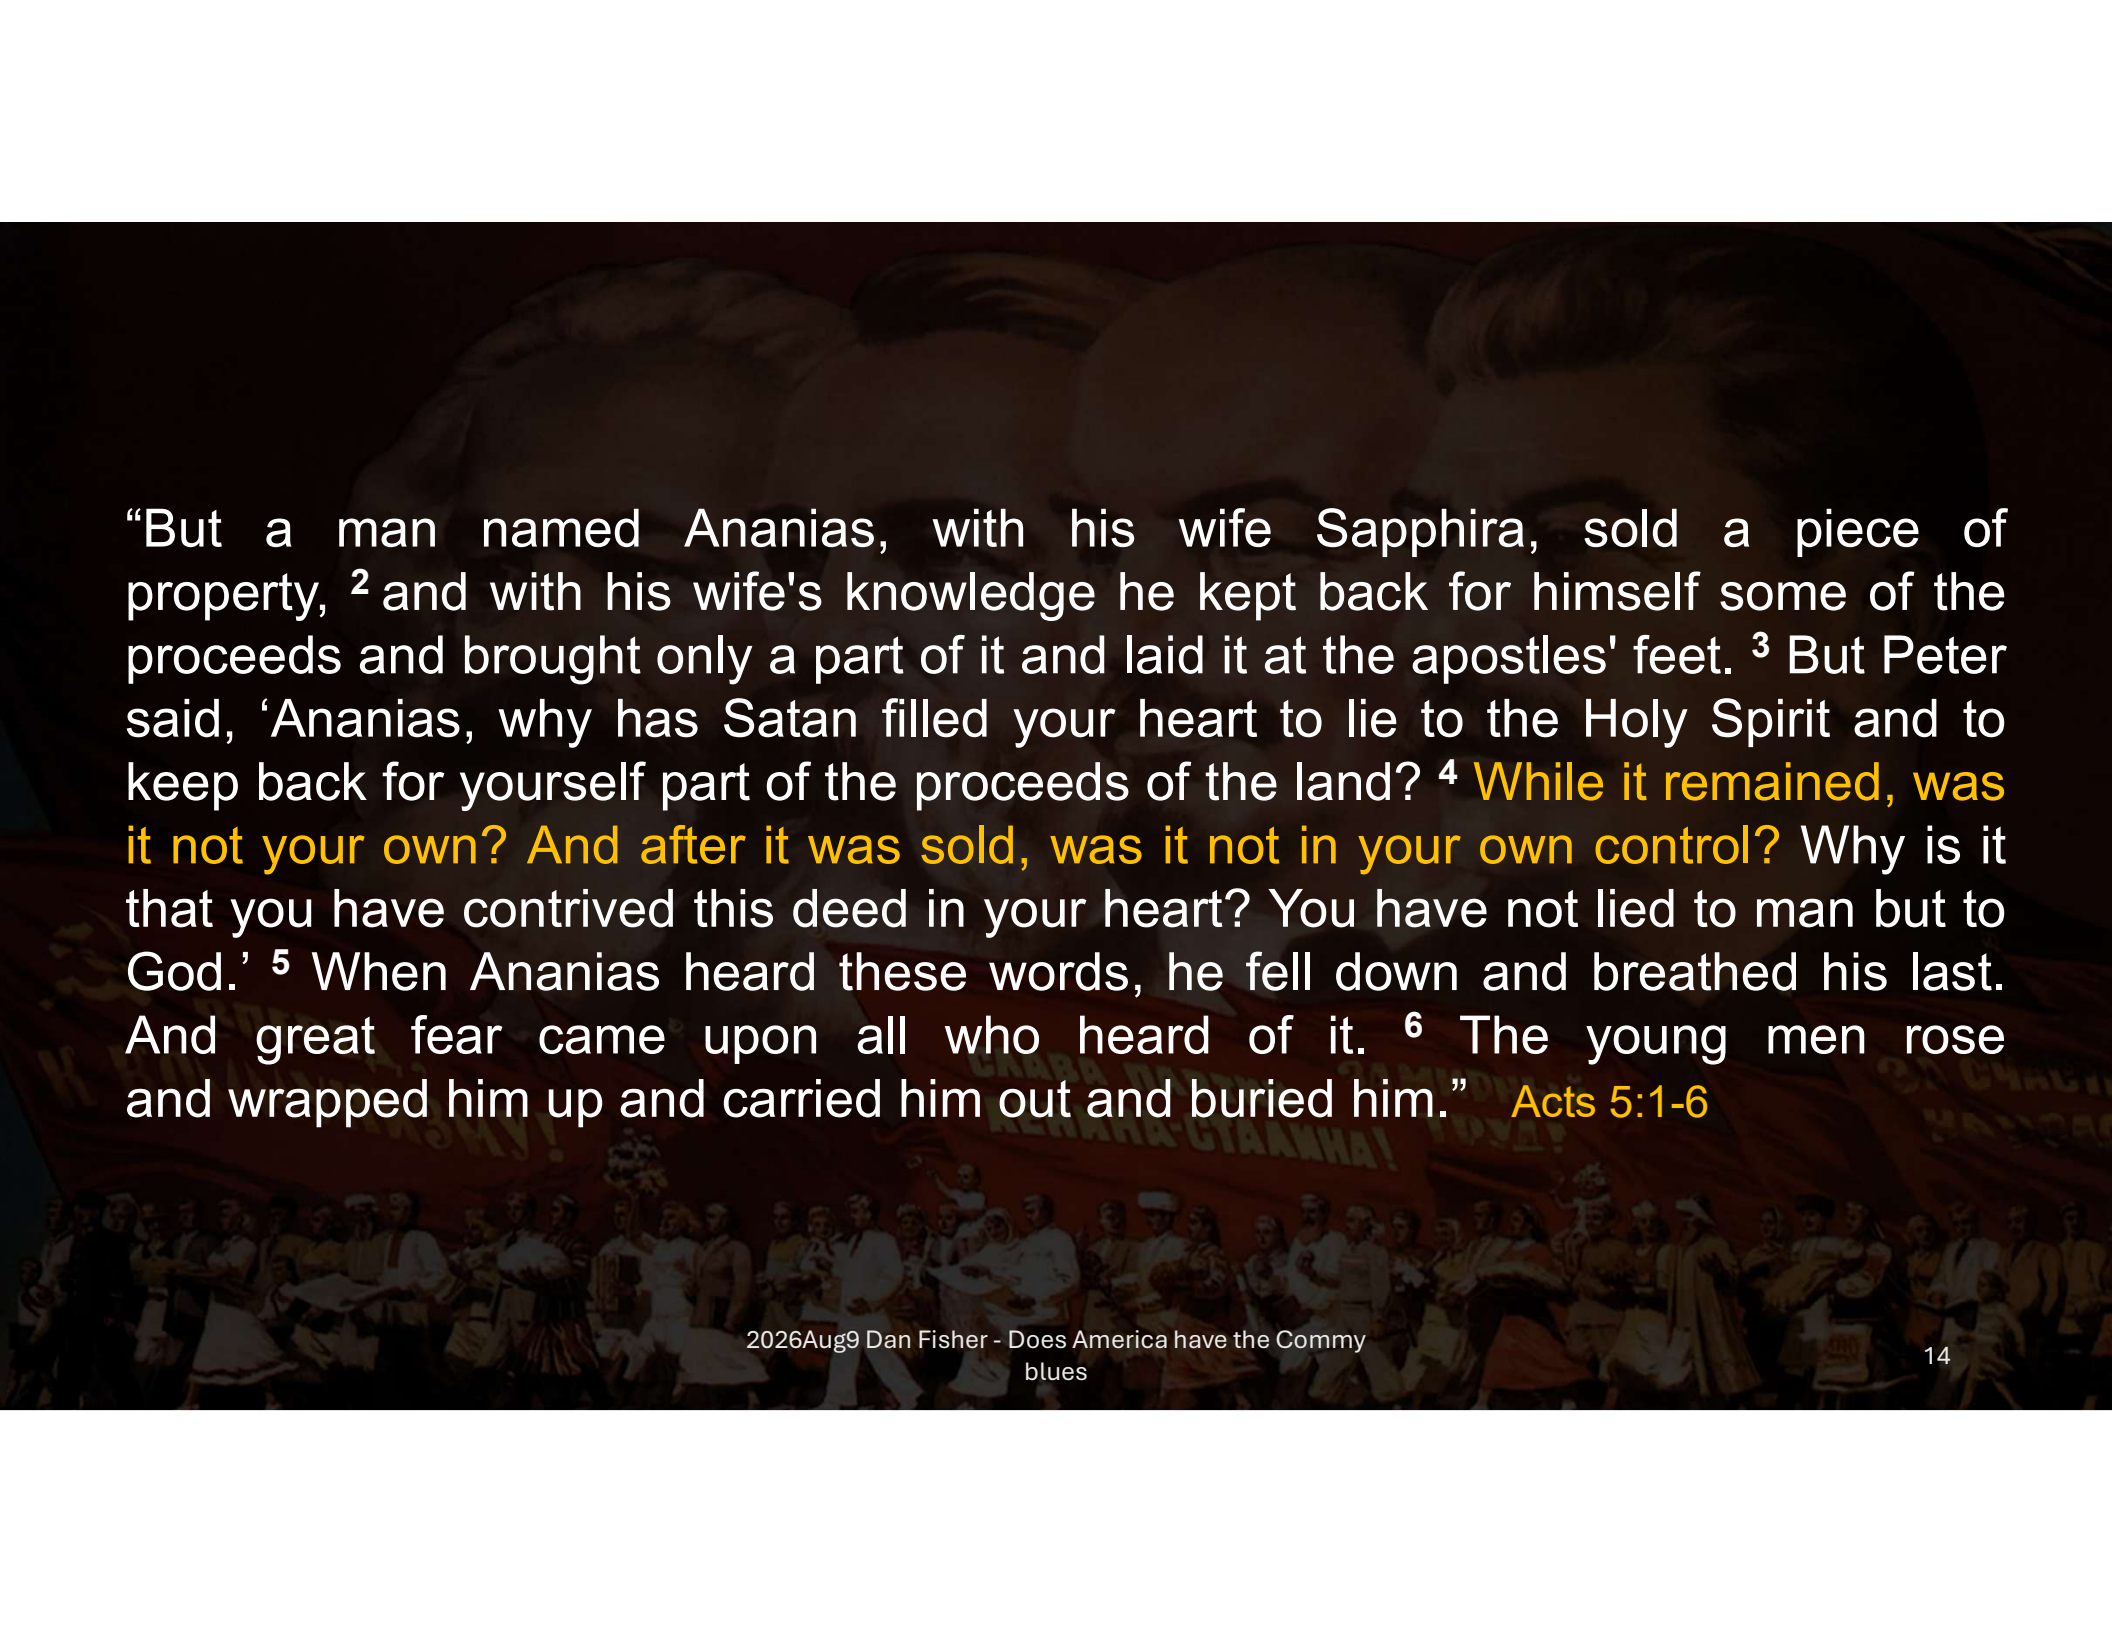

Vladimir Lenin: “The goal of socialism is communism.”

Shannon Bream interviewing Megan Romer, co chair, Democratic Socialist of America

“Now the full number of those who believed were of one heart and soul, and no one said that any of the things that belonged to him was his own, but they had everything in common. ... ³⁴ There was not a needy person among them, for as many as were owners of lands or houses sold them and brought the proceeds of what was sold ³⁵ and laid it at the apostles' feet, and it was distributed to each as any had need. ³⁶ Thus Joseph, who was also called by the apostles Barnabas (which means son of encouragement) ... ³⁷ sold a field that belonged to him and brought the money and laid it at the apostles' feet.” **Acts 4:33-37**

“But a man named Ananias, with his wife Sapphira, sold a piece of property, ² and with his wife's knowledge he kept back for himself some of the proceeds and brought only a part of it and laid it at the apostles' feet. ³ But Peter said, ‘Ananias, why has Satan filled your heart to lie to the Holy Spirit and to keep back for yourself part of the proceeds of the land? ⁴ **While it remained, was it not your own? And after it was sold, was it not in your own control?** Why is it that you have contrived this deed in your heart? You have not lied to man but to God.’ ⁵ When Ananias heard these words, he fell down and breathed his last. And great fear came upon all who heard of it. ⁶ The young men rose and wrapped him up and carried him out and buried him.” **Acts 5:1-6**

2. So, what is the difference between Socialism/Communism and Capitalism?

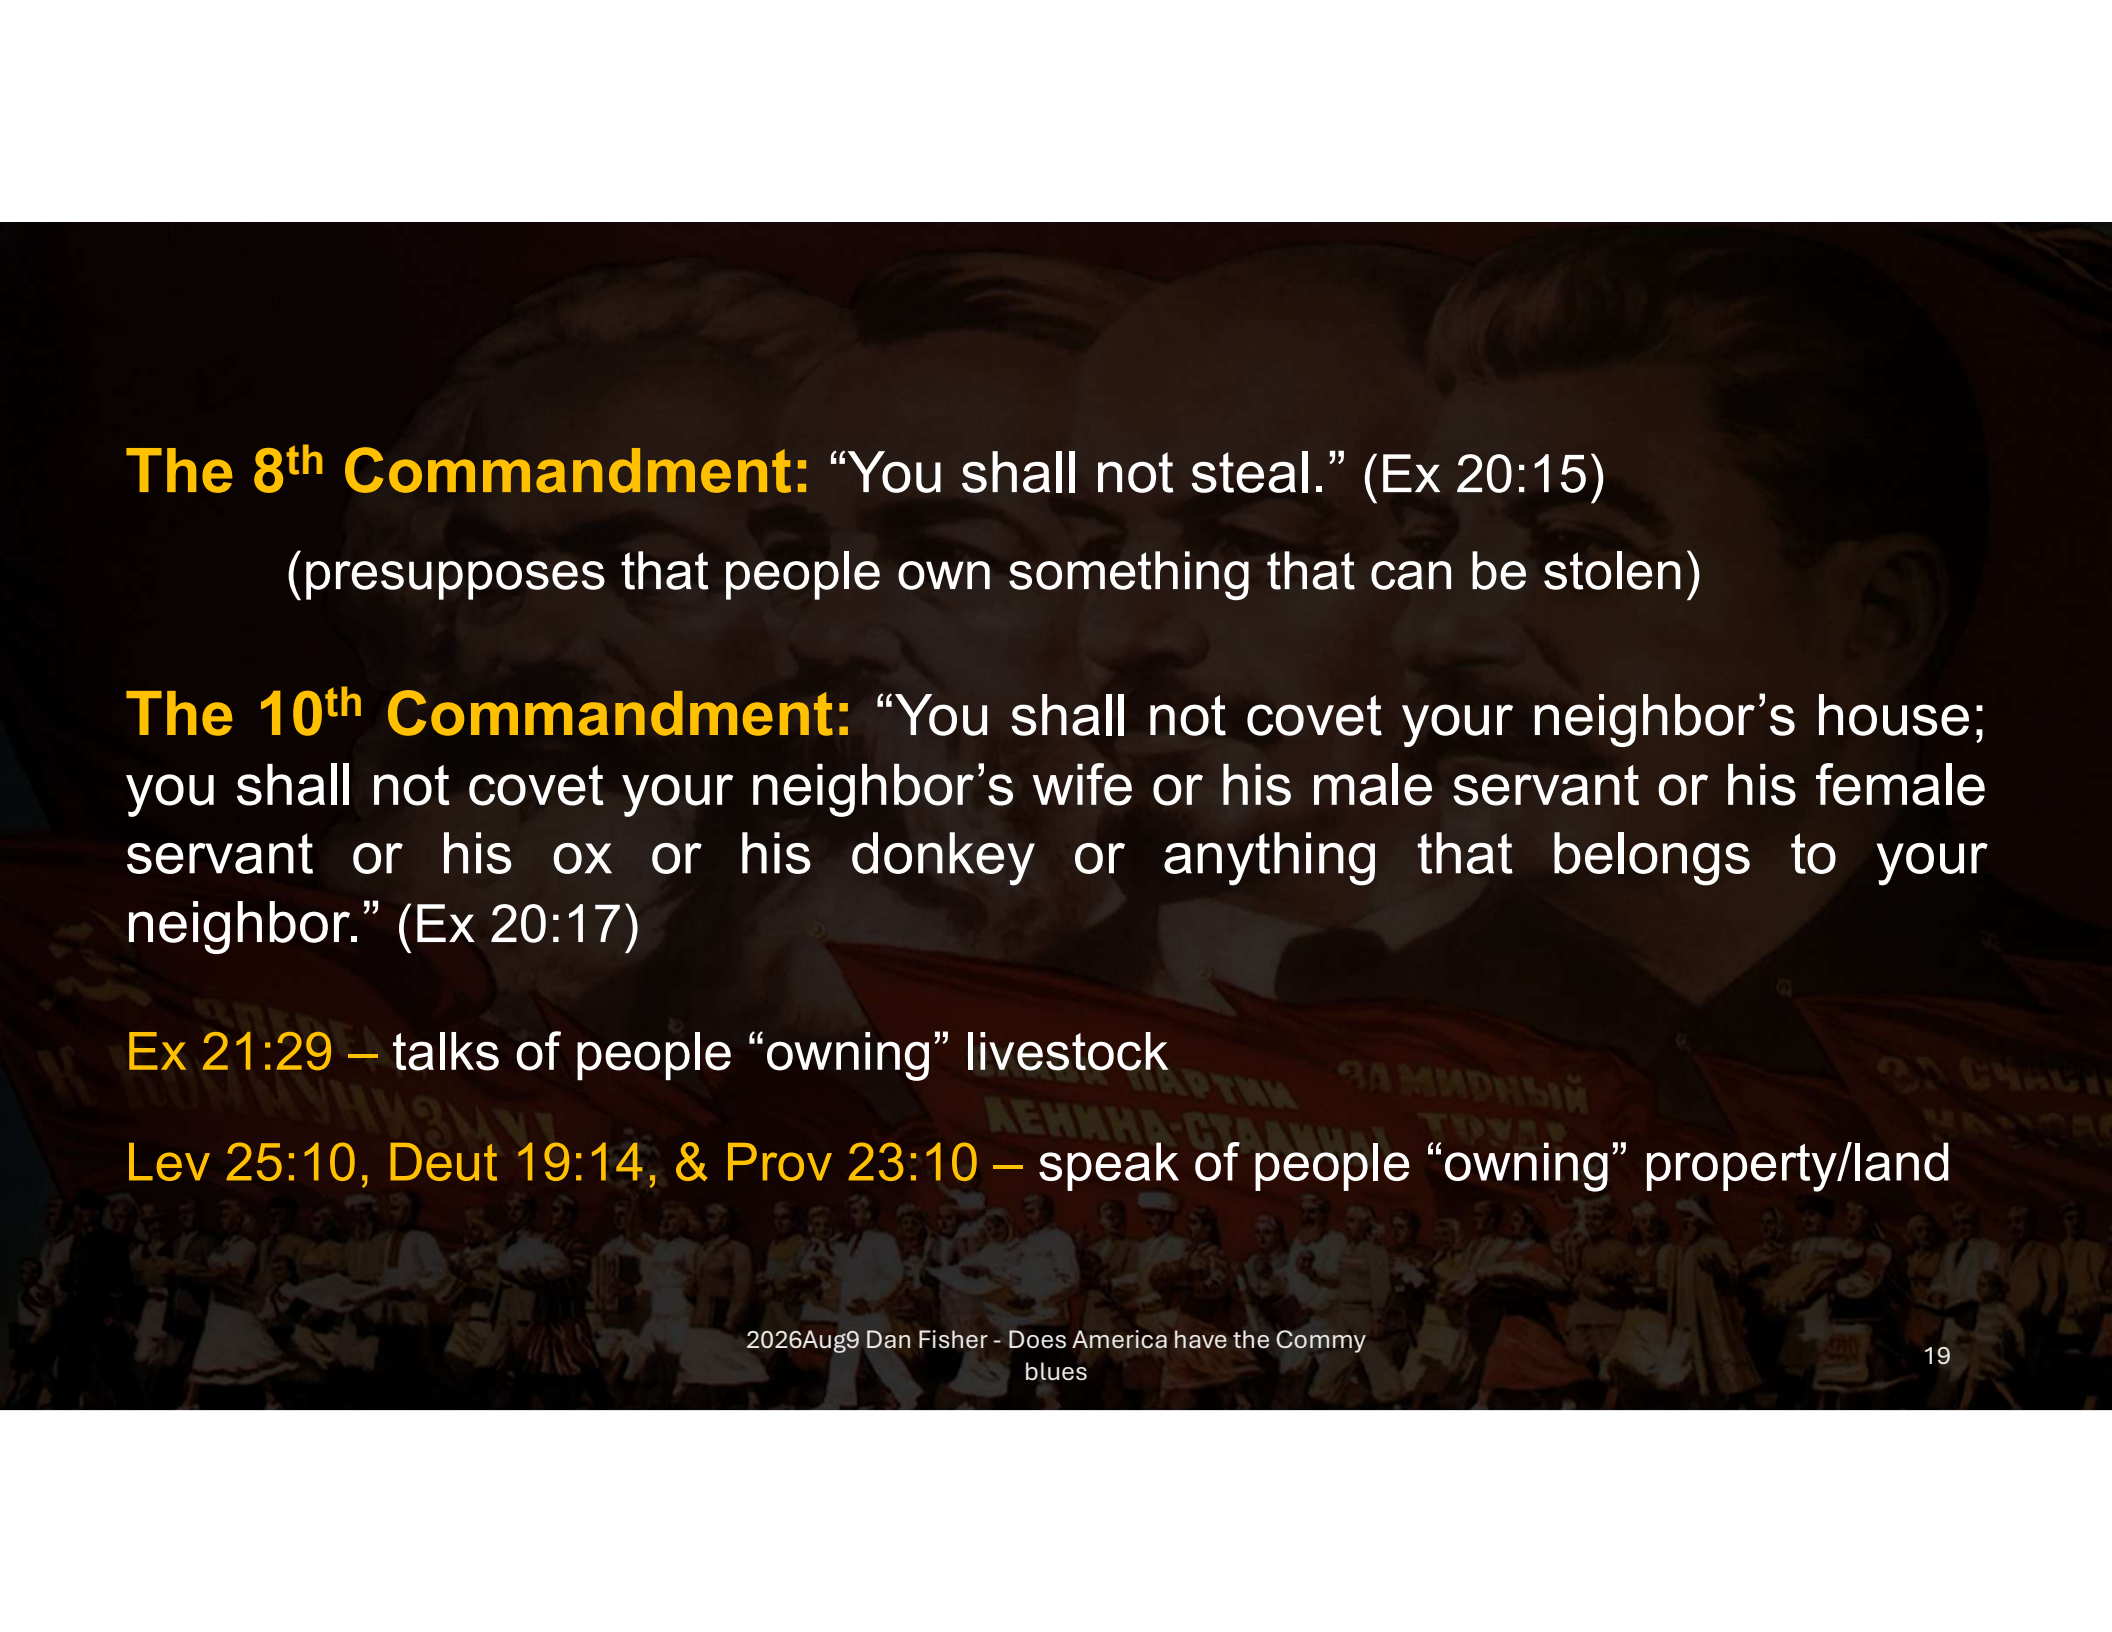

The difference between capitalism and communism is clear
– one is based on scriptural truth and the other is not.”

Ralph Drollinger, Capitol Ministries

3. Does Scripture really teach Capitalism?

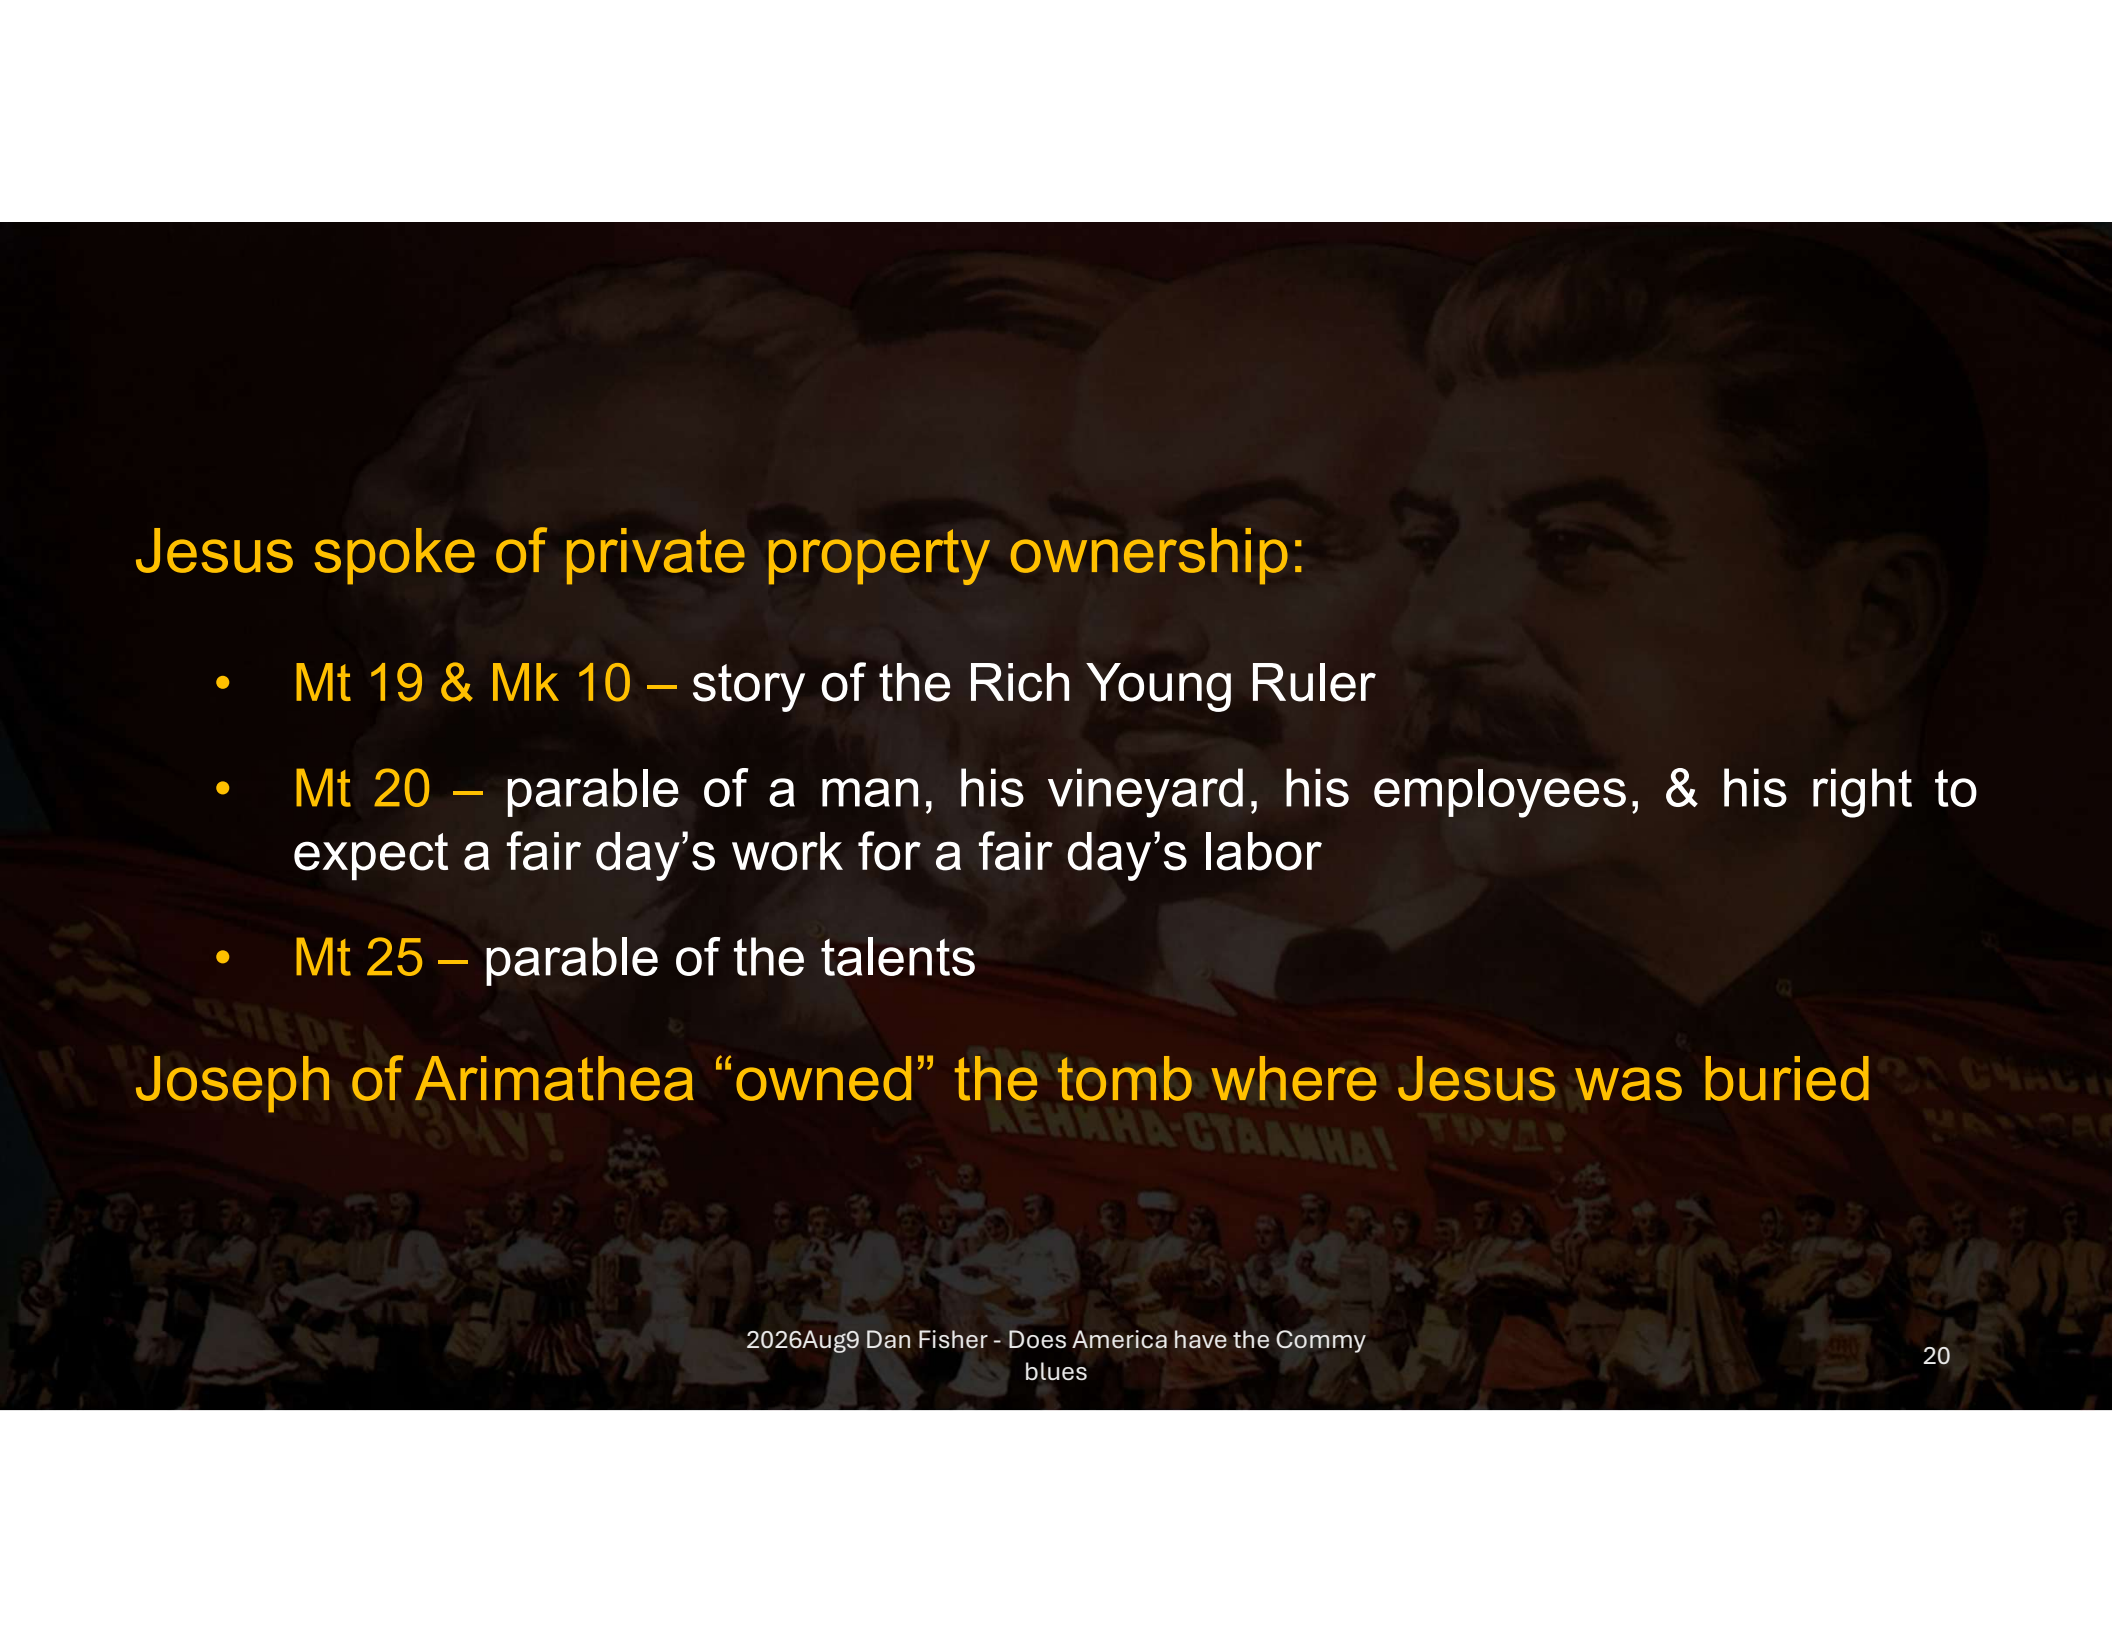

The 8th Commandment: “You shall not steal.” (Ex 20:15)

(presupposes that people own something that can be stolen)

The 10th Commandment: “You shall not covet your neighbor’s house; you shall not covet your neighbor’s wife or his male servant or his female servant or his ox or his donkey or anything that belongs to your neighbor.” (Ex 20:17)

Ex 21:29 – talks of people “owning” livestock

Lev 25:10, Deut 19:14, & Prov 23:10 – speak of people “owning” property/land

Jesus spoke of private property ownership:

- Mt 19 & Mk 10 – story of the Rich Young Ruler
- Mt 20 – parable of a man, his vineyard, his employees, & his right to expect a fair day's work for a fair day's labor
- Mt 25 – parable of the talents

Joseph of Arimathea “owned” the tomb where Jesus was buried

Rom 13 teaches

- Proper government is a ministry of God (vs 1-2)
- Proper governors are ministers of God (vs 4,6)

4. Socialism/Communism does not work

**“Exposing the Lies of Socialism”

“In 2024, I debated a very liberal pastor who prided himself on operating a couple of non-profits that help underprivileged people. The man denigrated ‘greedy capitalism’ and the ‘lack of compassion’ inherent in a free-market system that promises no guarantees except opportunity. I asked him how his charities were funded. ‘By compassionate donors ... People who actually care about the welfare of other people’ – as if those of us against socialism don’t care about other people. I pointed out that his ‘donors’ have the money to subsidize his efforts, because they are not socialists. Socialism needs the fruits of capitalism to fund their anti-capitalist, proposed solutions.

Consider two things that pro-socialist voices want: 'Free' college tuition and 'free healthcare.' The math behind such socialist goals does not compute. If our government taxed 100% of the earnings of the wealthiest Americans (about one trillion dollars, annually) even this would not wipe out all student loan debt (over 1.3 trillion dollars). Every penny the wealthiest Americans will make over the next 12 months (again, roughly one trillion dollars) wouldn't even keep Medicare going for three years. This would still leave nothing to fund 'guaranteed basic income for all' and other seemingly endless government programs socialists demand must be started."

 - Described the three Abrahamic faiths as successive installments of the same story:

“I talk about how Judaism is Season One of the show, Christianity is Season Two, and Islam is Season Three. I’m Season Two — the most violent season. My religion has done more damage to both of those religions than they’ve done to each other.”

- Proudly donated campaign cash to a group pushing to cut tens of millions of dollars from the police department in Austin — where the homicide rate then soared.
 - Argued that scaling back meat consumption is "existential" to combating climate change
 - Praised a left-wing activist group that advocated for dismantling Texas' massive oil and gas industry

According to a July 6 poll, approximately 50% of the respondents said Ken Paxton is too extreme, while just 43% viewed Talarico that way.

Less than four in 10 believe Paxton has good character or the right kind of morals, while slightly over 50% said Talarico does.
