Really God? Trust His Process: Habakkuk 3:3-15

“We lovingly invite people into our faith by sharing, showing and living the Gospel.”

## INVITE

THOUGHT TATTOO

Trust His Process!

- Why should we trust God’s process when we endure pain and suffering?

## INVEST

“We invest through intentional discipleship, relational community and leadership development.”

- God’s past faithfulness can strengthen you in your present trial. List examples of God’s faithfulness in Scripture. (i.e. Abraham – child in old age)
- 
- God has rescued us from death in the eternal sense, but on this side of heaven, we will experience pain and sometimes God won’t rescue you from pain. Why?

## INSPIRE

“We want you to live inspired by the Gospel to invite and invest in someone’s life and live on mission.”

- Identify the war images used to describe God in verses Habakkuk 8-15 (i.e. Or is your fury against the sea when you ride on your horses, your victorious chariot)? What do these images teach us about God?

Sometimes God will not rescue you from pain!
