

FBC Kids

Dear Parents:

I wanted to take a moment to update you on a change that is happening with our check-in system at First Baptist Church. Keeping the safety and security of your children as a priority, so we will be using a new system by KidCheck for our check-in system. This will allow us to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

The new KidCheck system will go live on Sunday, July 10th, so it is important you create your account prior to this date to help us as we switch. Creating your account is simple and will only take a few minutes. Creating your account prior to this date will help us have a smooth transition and helps your first check-in go more quickly.

You can create your free account at go.kidcheck.com and selecting "Create Your KidCheck Account". Or download the KidCheck Mobile App from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your mobile device. Once you've created your account, simply use your 10 digit phone number to check-in with us.

Additionally, we're excited to share we will be using KidCheck Express Check-In, which allows you to check-in right from your own phone – no waiting in line, no check-in station! You will need to check in for the first time with your 10 digit phone number at a check-in station. Then after that you can use Express Check-In, using these few simple steps:

1. Download the KidCheck App (as noted above)
2. Start check-in on your phone – from home, the car, the parking lot...
3. Complete check-in upon arrival by tapping the green submit button on your phone
4. Pick up your printed name tag and guardian receipt labels

If you would like more information or watch how-to videos, please visit our website at <https://savoychurch.org/rooted-kids>.

Thank you for your participation. If you have any questions, feel free to contact me.

Rooted in Him,

Lisa Thomas

FBC Children's Ministry Director
