

The Way

**2022 BIBLE
READING
PLAN**

Before You Get Started

Psalm 32:8- "I will instruct you and teach you in **the way** you should go; I will guide you with My eye."

As followers of Christ, each of our lives is a day by day journey with God. Only He knows what is ahead for us. He knows both where He wants to take us and also **the way** for getting us there. Our need is to walk daily with God and trust Him as the One who sees our future. What a promise we have that He will guide us through every step of our journey!

This Bible reading plan contains different topics to encourage you in your journey with God in 2022. The point of this plan is not that you read a certain amount of Scripture throughout the year, but that you meditate daily on Scripture verses that will help you along **the way**.

Joshua 1:8 says **"Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful."** In this verse, God promised to bless Joshua, and He will bless you as you take in the Word of God deeply and do what it says. I love one of the word pictures for the term "meditate" used in that verse. Picture a cow chewing its cud, munching on it over and over again before finally swallowing it. That's the idea given in Scripture for meditation. God wants us to take in His Word and meditate on it (chew on it) in our hearts and minds from day to day. By doing so, not only will our lives be blessed, but they will be changed and set on fire. Martin Luther said, when we meditate on Scripture, it becomes **"a pocket lighter to kindle a flame in the heart."**

So my prayer is that you will read these short passages daily. Linger on them in your heart and mind.

Before You Get Started

Meditating on the Word goes far beyond just sitting down for a few minutes, reading the Bible and going on with your day. Instead, it means thinking about the Word and praying about the Word as you eat and work and go about your day-to-day routines. It is about getting God's Word down deep inside you and letting it set you on fire.

This Bible plan introduces twelve general topics, as well as weekly sub-topics. Each sub-topic includes a few questions that you can ask yourself after reading the passage. Asking yourself these questions will help to make the reading of God's Word personal. Alongside the daily Scripture passage, you'll also find a prayer prompt based on that passage to help you pray for your journey that day.

I pray that 2022 will be a year of deep spiritual growth for us all, that we will fall more in love with the Word of God than ever and that we'll be set on fire by it. I pray that you have some Divine appointments with the Lord as He applies His Word to your life. As you meditate on the passages in this Bible reading plan, remember that God is speaking directly to you through His Word, and He wants to connect each passage with the life circumstances that, from the beginning of time, He knew would exist on that specific day. God's Word is alive and active, and encountering Him through His Word will make your life successful and prosperous.

For the last several years, Tammy and I have loved hiking in the mountains in Glacier Park in Montana. Each time we go I enjoy taking pictures of the mountains and wildlife there. So, in this booklet you'll find some photos from our journeys. I hope they inspire you to reflect on the beauty and majesty of God as He guides you along "the way."

Sincerely,
Pastor Kevin
