

The Gift of Generosity

Generosity is the virtue of giving good things to others freely and abundantly.

*For God loves a
cheerful giver!*

- 2 Corinthians 9:7

Greed

Self-indulgence
Self-worth

Fear of scarcity

The only way to break free
from the things that hold us
back from being generous is
to practice generosity

*Give and it will be given
to you...for with the
measure you use it will be
measured to you.*

- Luke 6:38

*The generous will themselves
be blessed.*

- Proverbs 22:9
