

FEAR

Fear has become the
language of politics

Fear has become the
currency of politics

Fear can become an
addiction

Fear comes from the
devil, not from God

“The thief comes to steal, kill, and destroy.”

- John 10:10

*“Fear leads to anger;
anger leads to hate;
hate leads to
suffering.”*
- Yoda

“God has not given us a spirit of fear, but of power, love, and a sound mind.”

- 2 Timothy 1:7

*The politics of Jesus is
choosing to love everyone,
above everything else,
every time.*

“Perfect love expels all fear.”

- 1 John 4:18
