## Two Questions:

What is the connection between a worship service and a life of worship?

Why does it matter?

# 1. Worship equals relationship

**2. God does relationship in a pattern**

# Revelation and Response

God reveals himself to us and invites us to respond to him.

Then God responds to us.

3. We worship God best when we love others.

Identity

There is nothing more central  
to our worship (relationship)  
than our identity.

Identity

# 3 Identity Lies

1. I am what I do
2. I am what others think of me
3. I am what I have

Matthew 4:3

"If you are the Son of God, tell these stones to become bread."

Worship equals relationship

Relationship requires engagement

Engagement implies doing

Simon Dewey

Matthew 4:6

“If you are the Son of God, throw yourself down. For it is written: ‘He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone.’”

And when you pray, you shall not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Truly I say to you, They have their reward.

*Matthew 6:5*

# Matthew 4:8-9

The devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. "All this I will give you if you will bow down and worship me."
