

The Building Blocks of FAITH!

WALK IN IT! NEW TEACHING SERIES

Sunday, October 3, 2021 | Building Blocks of Faith: Walk In It | Dr. Raymond A. Bell, Jr.

OVERVIEW

This October we are beginning a new teaching series called “Building Blocks Of Faith: Walk In It!” As we enter the fourth quarter of the year we must stay focused, fight distractions, and understand the building blocks of faith. This new teaching series will give us the fuel to finish this year strong amidst all the things that have transpired in the past nine months.

SCRIPTURES REFERENCED Hebrews 11: 1-40 (KJV)

Focus Verse: Now faith is the substance of things hoped for, the evidence of things not seen.

KEY TAKEAWAYS

We must be reminded that Faith Has Value. Faith has a level of worth and substance that will take you from point A to point B. God has given me faith and a creative gene inside; so that I can do all things. The more I walk in my faith, I come to realize the value that God has given me. We learned that Faith Has Vision. We must walk by faith when there is no visual evidence. I see it before it even happens, believing that God is going to do it. Pastor concluded the sermon by reminding us that Faith Has Victory. The blood washes and protects me. The reason I am under spiritual attack is because I am spiritually precious. The enemy will not attack trash. I am precious not trash. I am the apple of God's eye.

PRAYER FOCUS

Dear God, please help us to increase our faith. Faith is believing in what you say and not what we can see. We desire to have a more foundational measure of faith. Just like Noah had faith to build an ark and like Abraham had faith to go to a different location for the blessing to come; increase our faith! We are praying for an increased faith to finish the year strong and go after the things you have promised us. We know that this year has been challenging given the loss of jobs, family members, and more. We are going to strive on with the building blocks of faith. Give us strength to Walk In It! In Jesus' name we pray, Amen!

FOOD FOR THOUGHT

We see all throughout the Bible that faith was the key! How will you finish strong this fourth quarter? How will you activate your faith? Remember the Red Sea in our lives will not go away, but you can go through it!
