One day, Jesus was walking through a town called Samaria. He was very tired and thirsty, so He sat down by a well. (Hold up the picture of the well.) Wells are where people go to get water.

- Who here has ever been thirsty? (Pause for responses.) Jesus was thirsty too!

Just then, a woman came to the well to get water. She had a big jar to carry her water home. Jesus looked at the woman and said, "Can you give me a drink of water?" The woman was surprised! (Hold up the picture of Jesus and the woman talking.) She said, "Why are you talking to me? I'm from Samaria, and people like me don't usually talk to people like you." But

Jesus was kind and friendly. He said, “If you knew who I was, you would ask me for water—living water!”

- Can we all say “living water”? (Encourage the children to repeat: “Living water!”)

The woman was confused. She said, “How can you give me living water? You don’t even have a jar!” But Jesus explained, “The water I give is special. It’s not for drinking. It fills your heart with love and joy and helps you start over every day!”

Jesus told her about God’s love and all the good things God wanted for her. He said that if we ask him, Jesus will help us start again and choose the right way, even if we messed up before.

The woman was amazed. She said, “I want this living water!” Jesus told her about God’s love and all the very good things God wanted for her. She was so happy! She ran back to her town saying, “Come and see Jesus! He gave me a new start!”

Isn’t that wonderful? Jesus gave the woman at the well a new start, and He can do the same for us. Let’s all say, “Jesus Helps Me Start Again”

Craft (10 minutes) Water Jar Decoration

SUPPLIES NEEDED:

- Paper printout of the water jar (one per child)
- Crayons or markers
- Stickers (optional: stars, hearts, or shapes)

TEACHER: Today, we're going to make our very own water jars! In our story, the Samaritan woman came to the well to get water in her jar. But Jesus gave her something even better—living water that fills our hearts with love and joy. Let's decorate these jars to help us remember that Jesus helps us start again!

(Hand out the weather jar pages and supplies.)

First, take your jar and think about how you'd like to decorate it. You can use crayons, markers, or stickers to make your jar colorful and special.

(Guide the children as they decorate.) Great job! You can add fun designs, or even draw hearts to show the love Jesus gives us.

(Encourage children to hold up their jars when finished.) Look at all these amazing water jars! These jars remind us of the special story we heard today—how Jesus gave the woman at the well a new start. Let's say it together: "Jesus Helps Me Start Again"
