

# IN IT TO WIN IT

## Small Group APPLICATION QUESTIONS

“Do not merely listen to the word, and so deceive yourselves. Do what it says.” James 1:22 NIV

### SUMMARY

As we looked at 1 Timothy 2:8-15, Pastor Frank shared a teaching about the roles and responsibilities the Lord has for both men and women as it relates to the church and home. We learned there is a pattern and created order, ordained by God Himself, to help us flourish in this life. And when we adhere to this perfect design it helps prevent culture from shaping us.

### APPLICATION

**1. You don't realize the magnitude how culture shapes your thoughts and beliefs until you read the truthful things that are in the Bible!! (The river rock example)**

- As a group, list a few Biblical truths that culture is pushing against.
- As you read 1 Timothy 2:8-15, how have you realized culture has shaped your views on gender roles in the church and home?

**2. There's a way that God wants order in the church and in the home.**

- God clearly has parameters for these two institutions, why is that?
- It begins with men first: Leading publicly. Clean hands. No wrath or dissension. In what ways has culture shaped these ideals differently for men?
- Women: Modest. Propriety. Moderation. How does modern media, movies, and TV shows portray women to be? How does that differ from these three traits?

**3. You have a part to play.**

- Share a time when a team project/event (that you participated in) suffered because someone didn't do their part.
- What steps do you need to take in order to play your part in home/church?

**4. When we play the part He designed us to play, in the home/church, we flourish.**

- Where have you experienced this truth in your home or church?
- Problems happen when people are playing parts designed for someone else. If you're contributing to the problem, what needs to change?

### PRAYER

Pray for the order and pattern of our church/homes to be as God ordained them to be!
